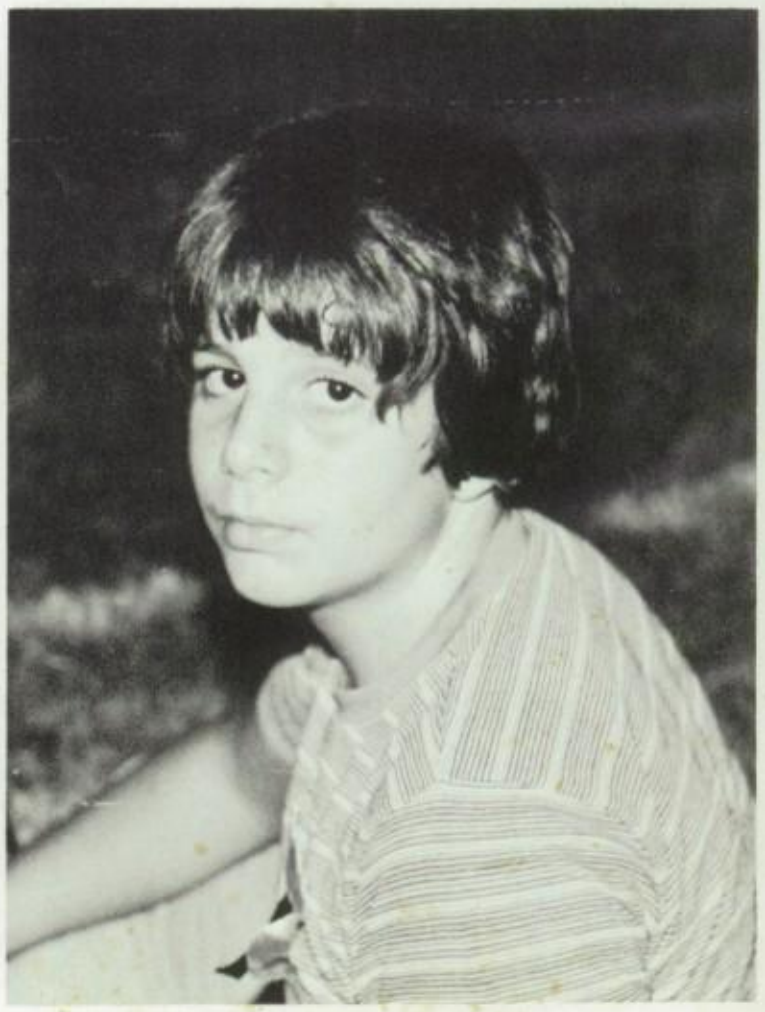
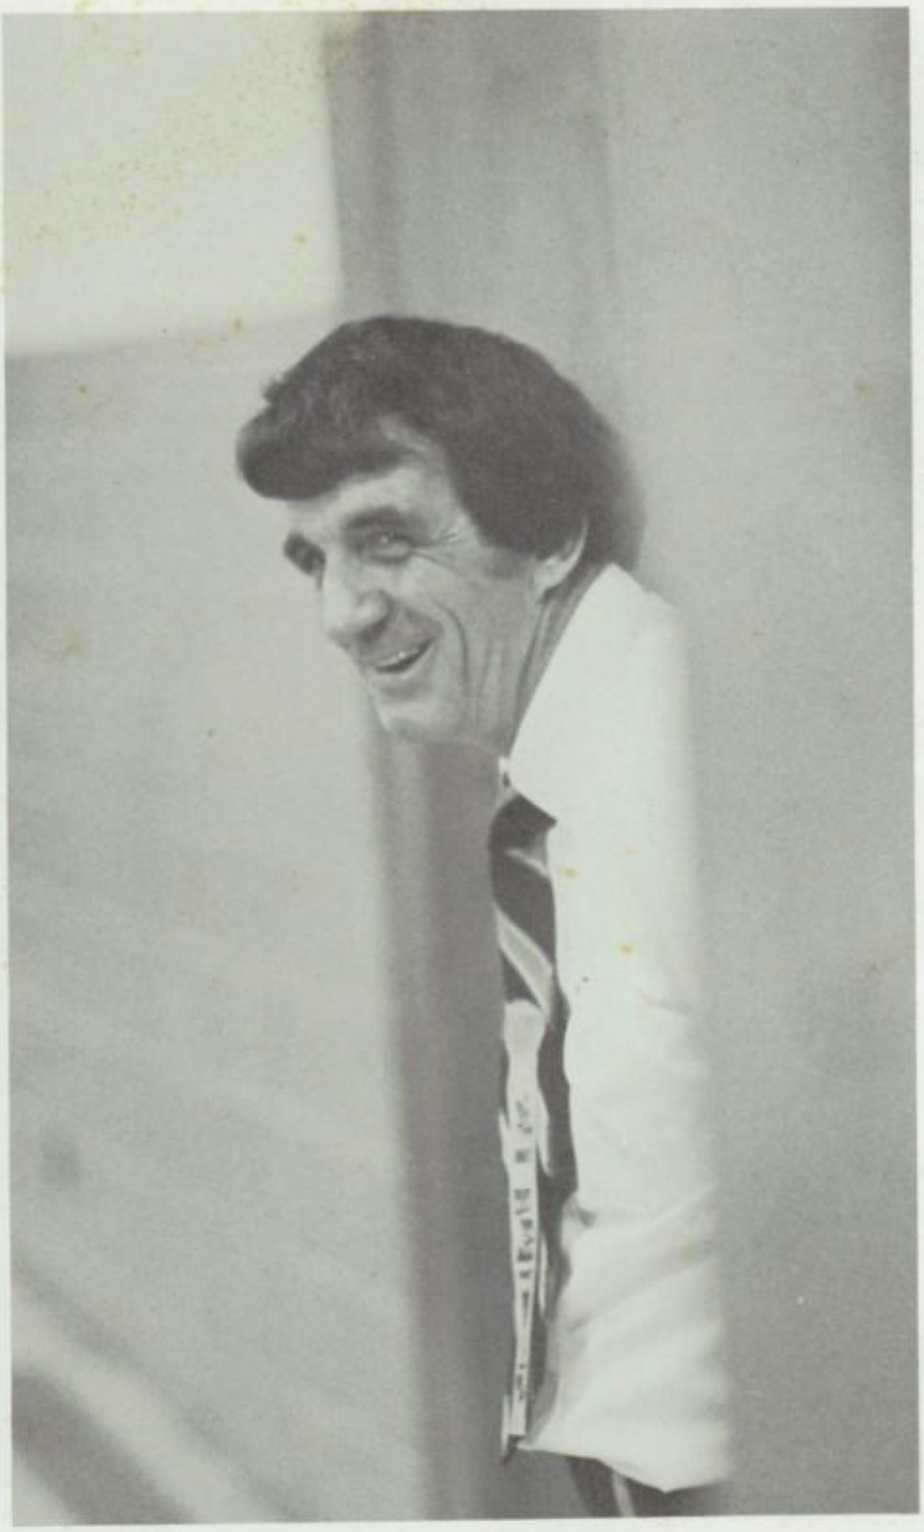
Roy Ammons: The Great Organizer

Mr. Ammons gives Doug Carmody advice.

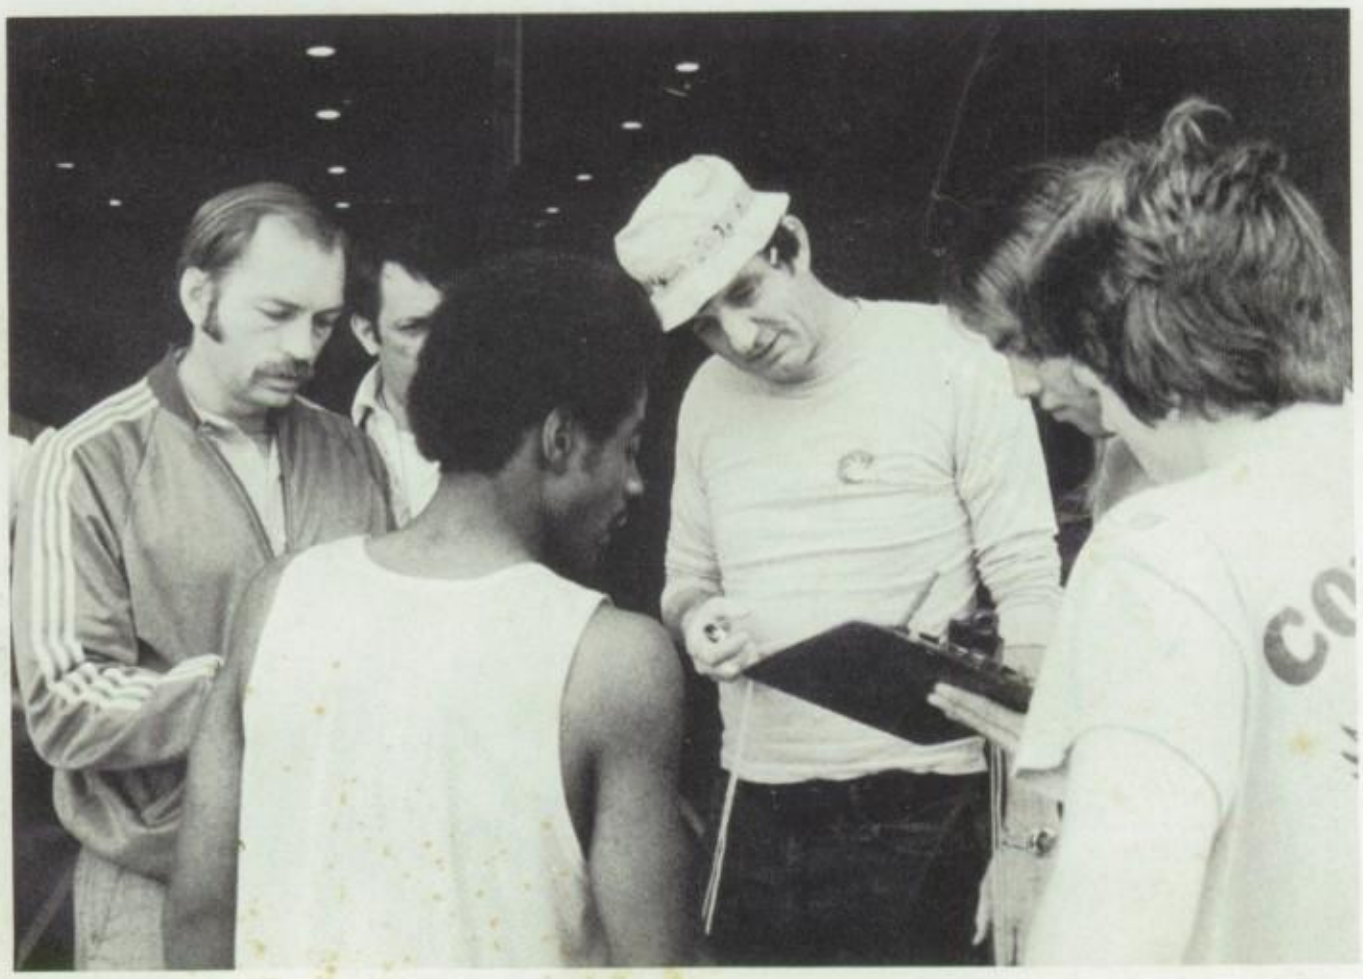


Matthew Ammons follows in his father's footsteps.

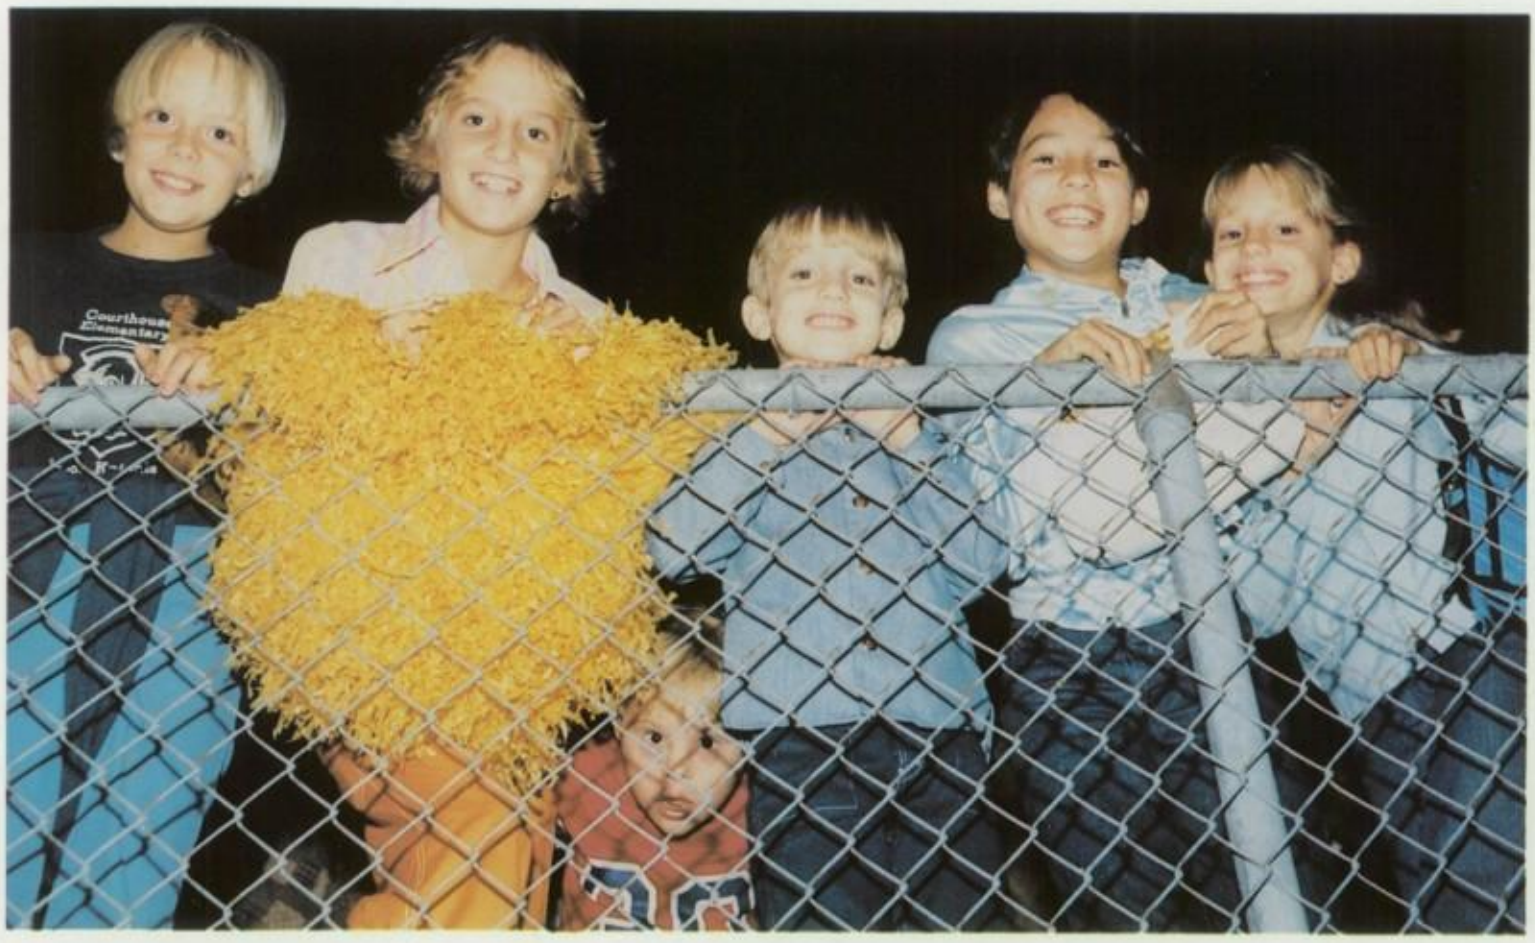


Mr. Ammons finishes another job.

Roy Ammons plays an important role at Kellam as the Student Activities Coordinator. If that sounds easy, think again. He spends many hours working with and for the students so every school activity runs smoothly. When he's not running around serving the school, he can be found in his office ready and willing to listen. For these reasons and many, many more the **Challenger** staff proudly dedicates the 1980-81 **Challenger** to Mr. Roy Ammons.



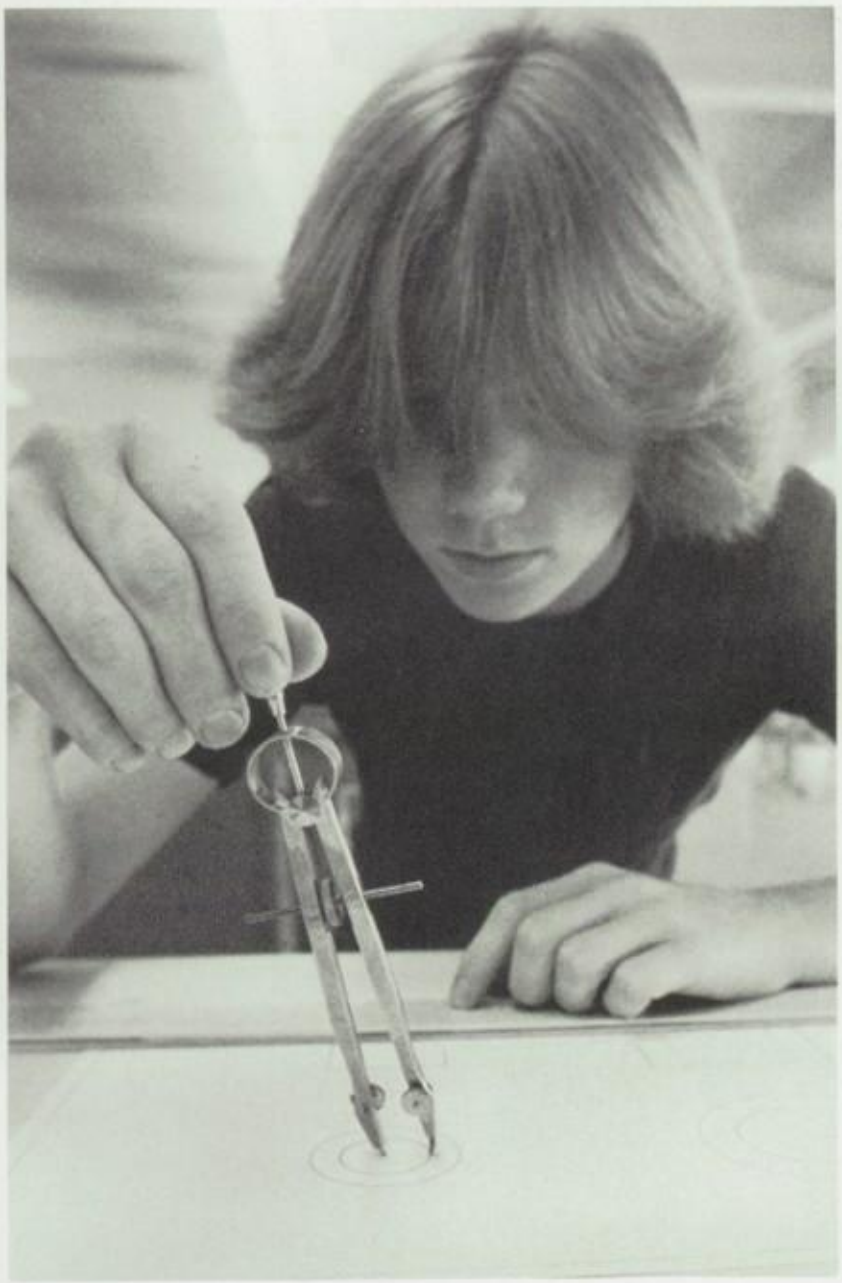
Mr. Ammons acts as an official.



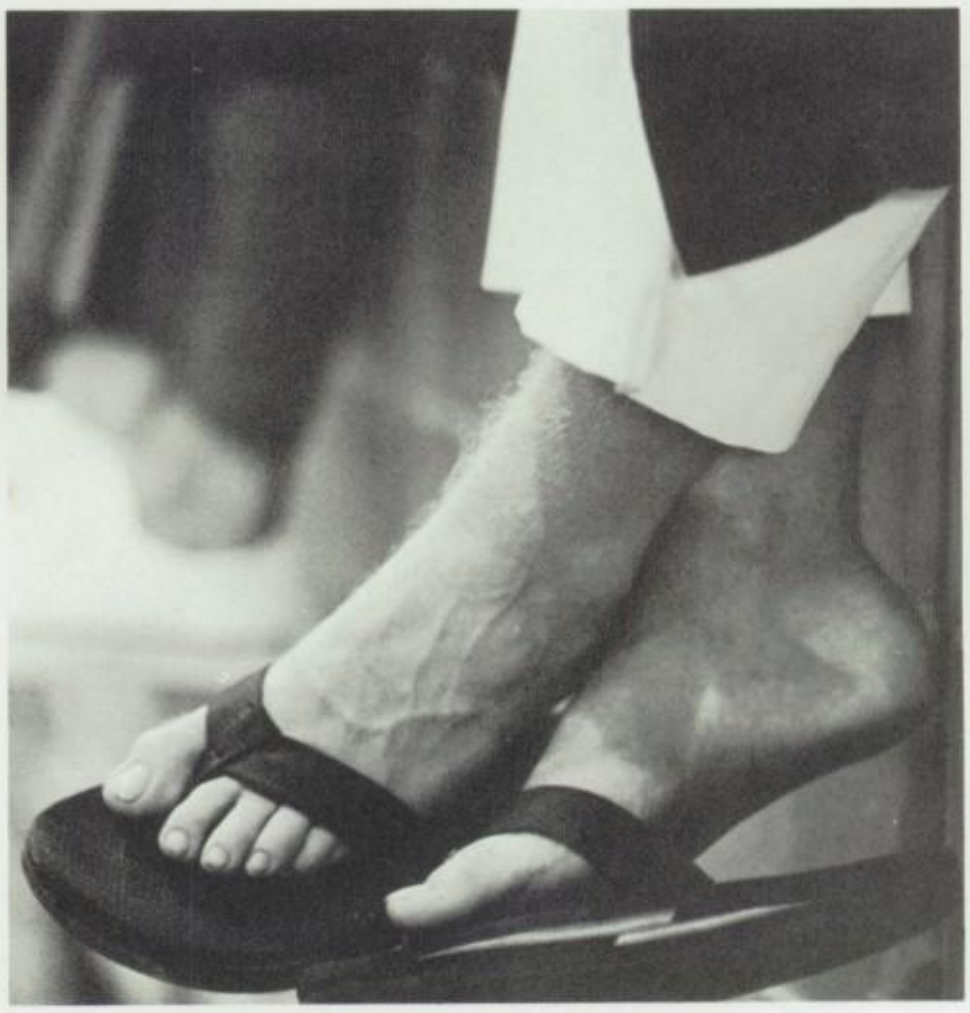
Smiling students eagerly rush to their classes.

Page Sinclair is still talking!

At last! Relief from the 98° heat.



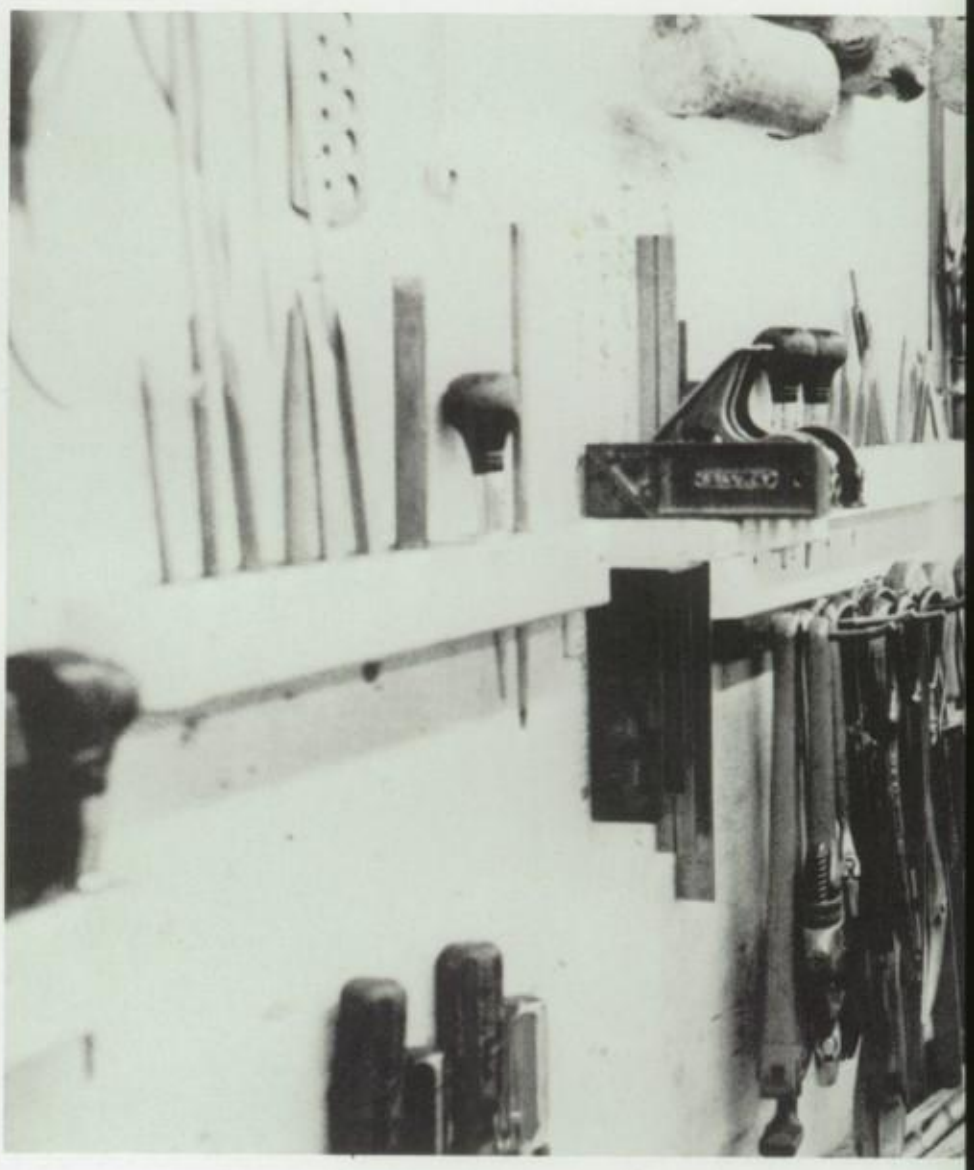
Jay Manhardt goes in circles again.



Could these be an athlete's feet?

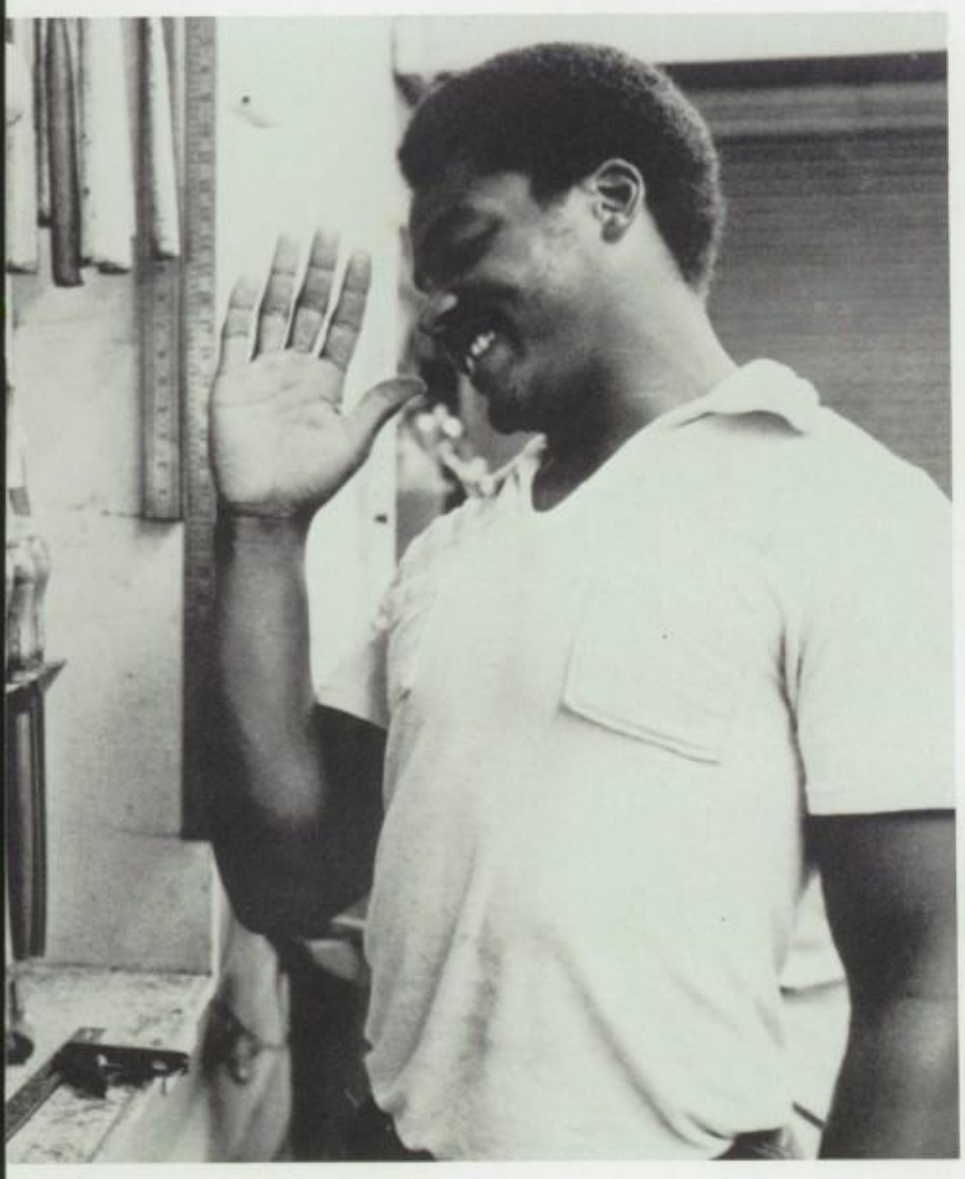
Band members await the cue to perform.

Are you sure you don't want another bumper sticker?



What do you mean, pliers?

It's nice to share!

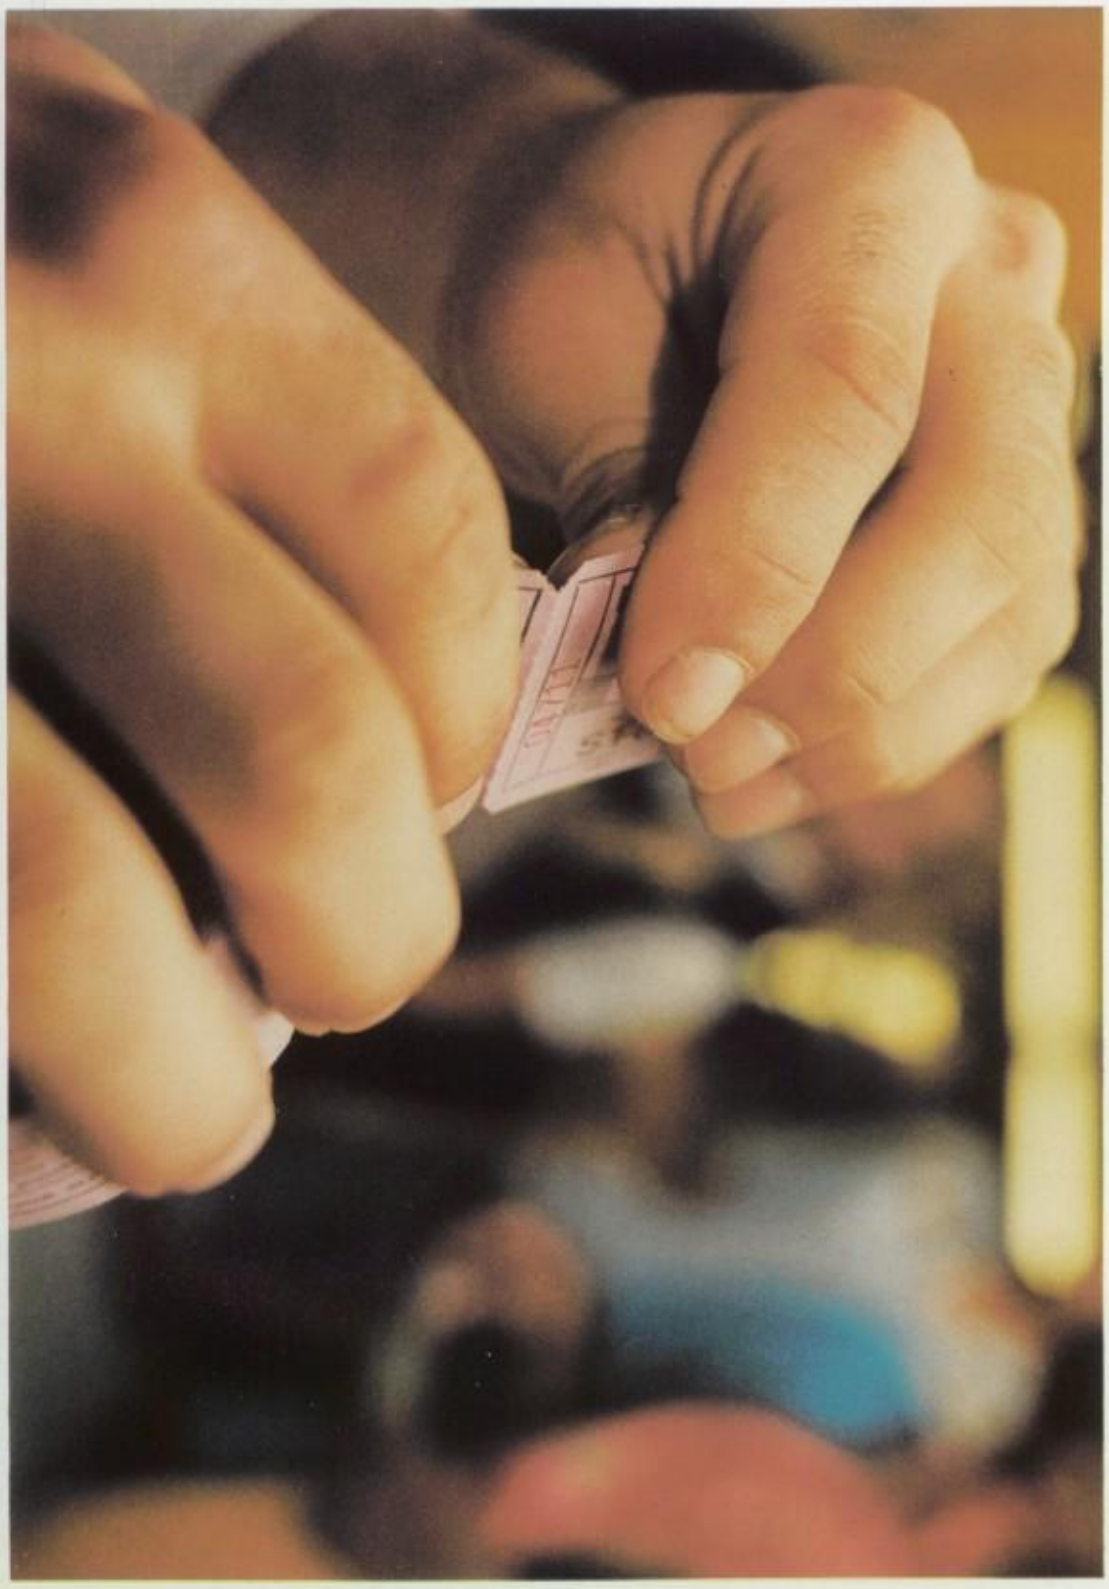


Those are in my mom's kitchen!

"Check it out!"

Tracy Freeman and Dan Trevino patiently wait for practice to begin.

This is heavier than you think.



In science, Pam Griffin appears hypnotized by the teacher.

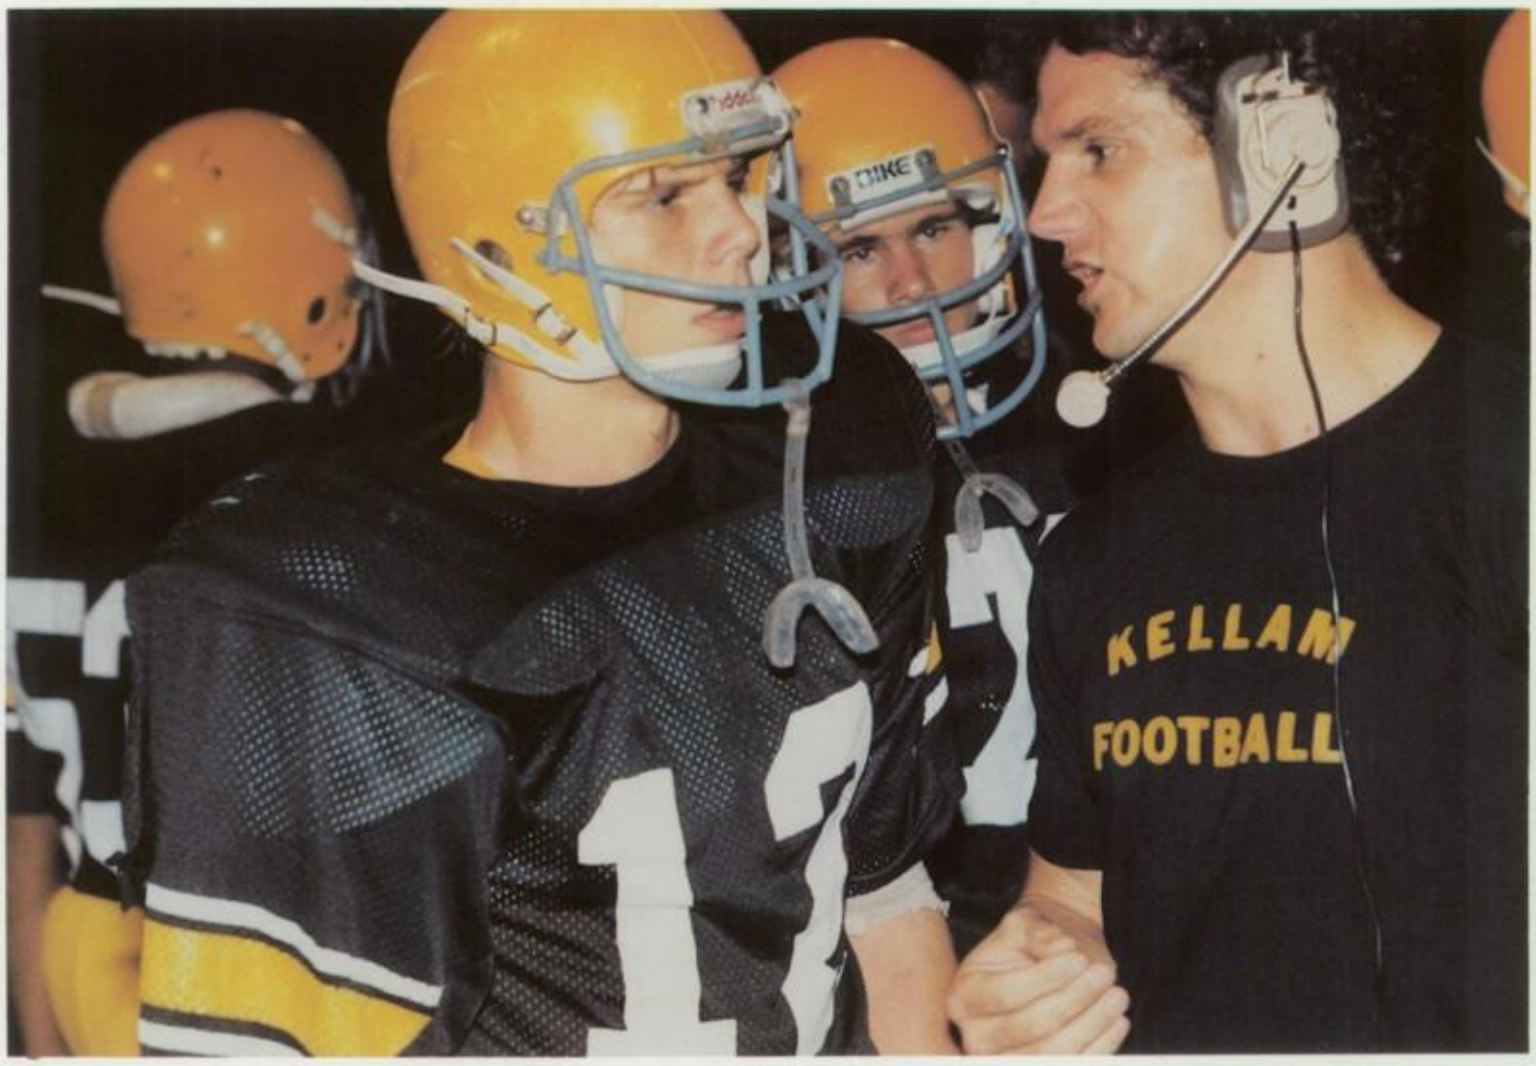
Debbie Perry savors her spaghetti while listening to a friend.

Gary Williams is a solo performer during halftime.

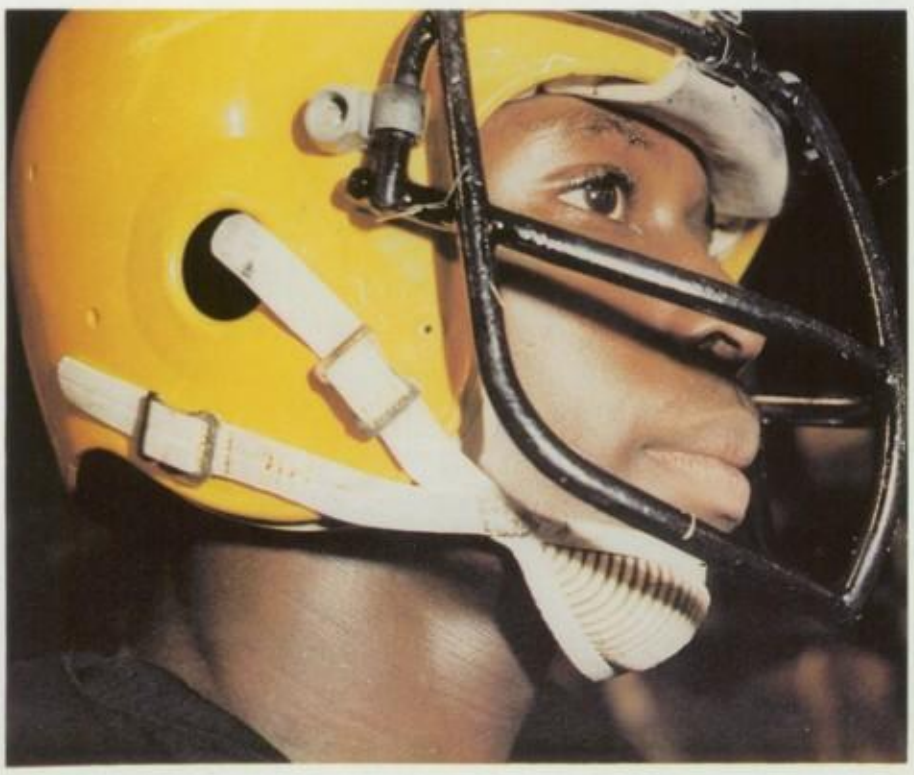
Daydreams can be more absorbing than reality.

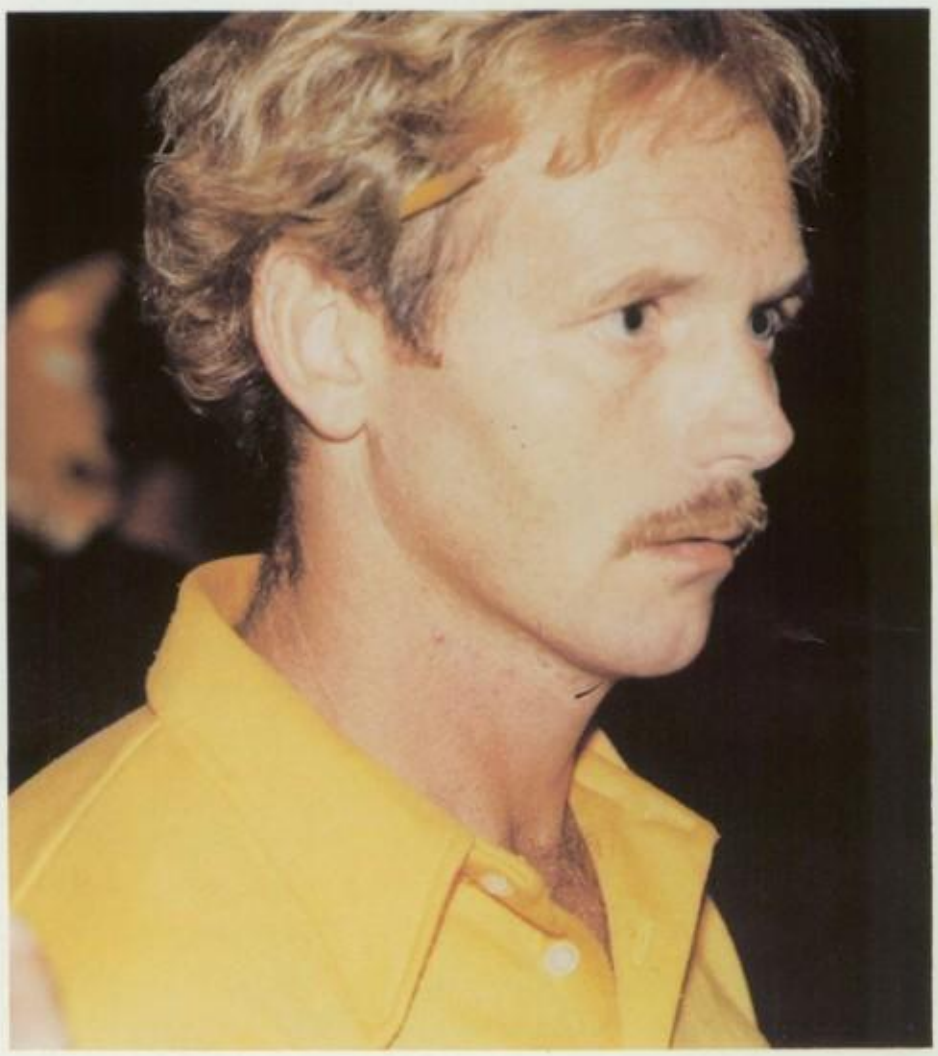
Leigh Warren tensely watches her team in action.

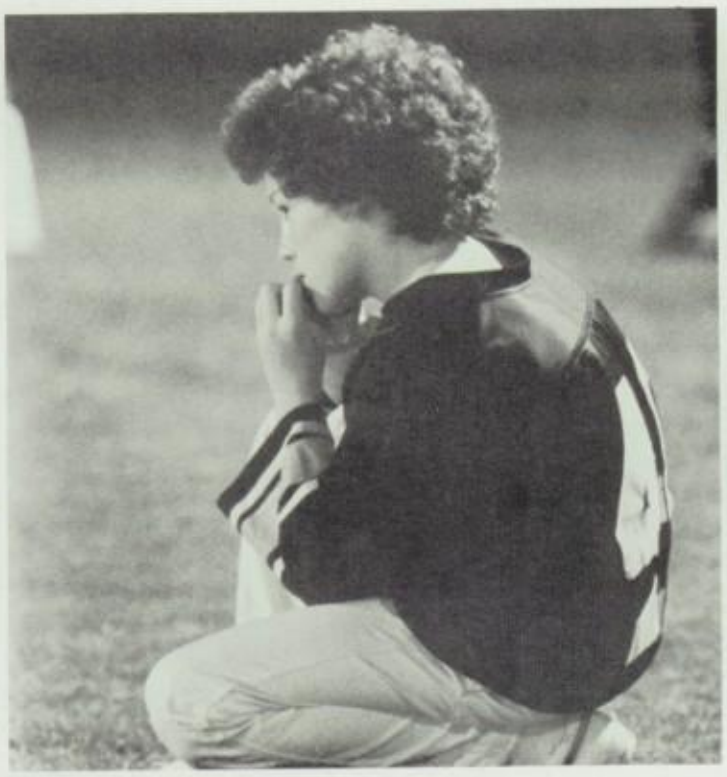
David Flanagan watches the game from the sidelines.



DUKE
KELLAM
FOOTBALL

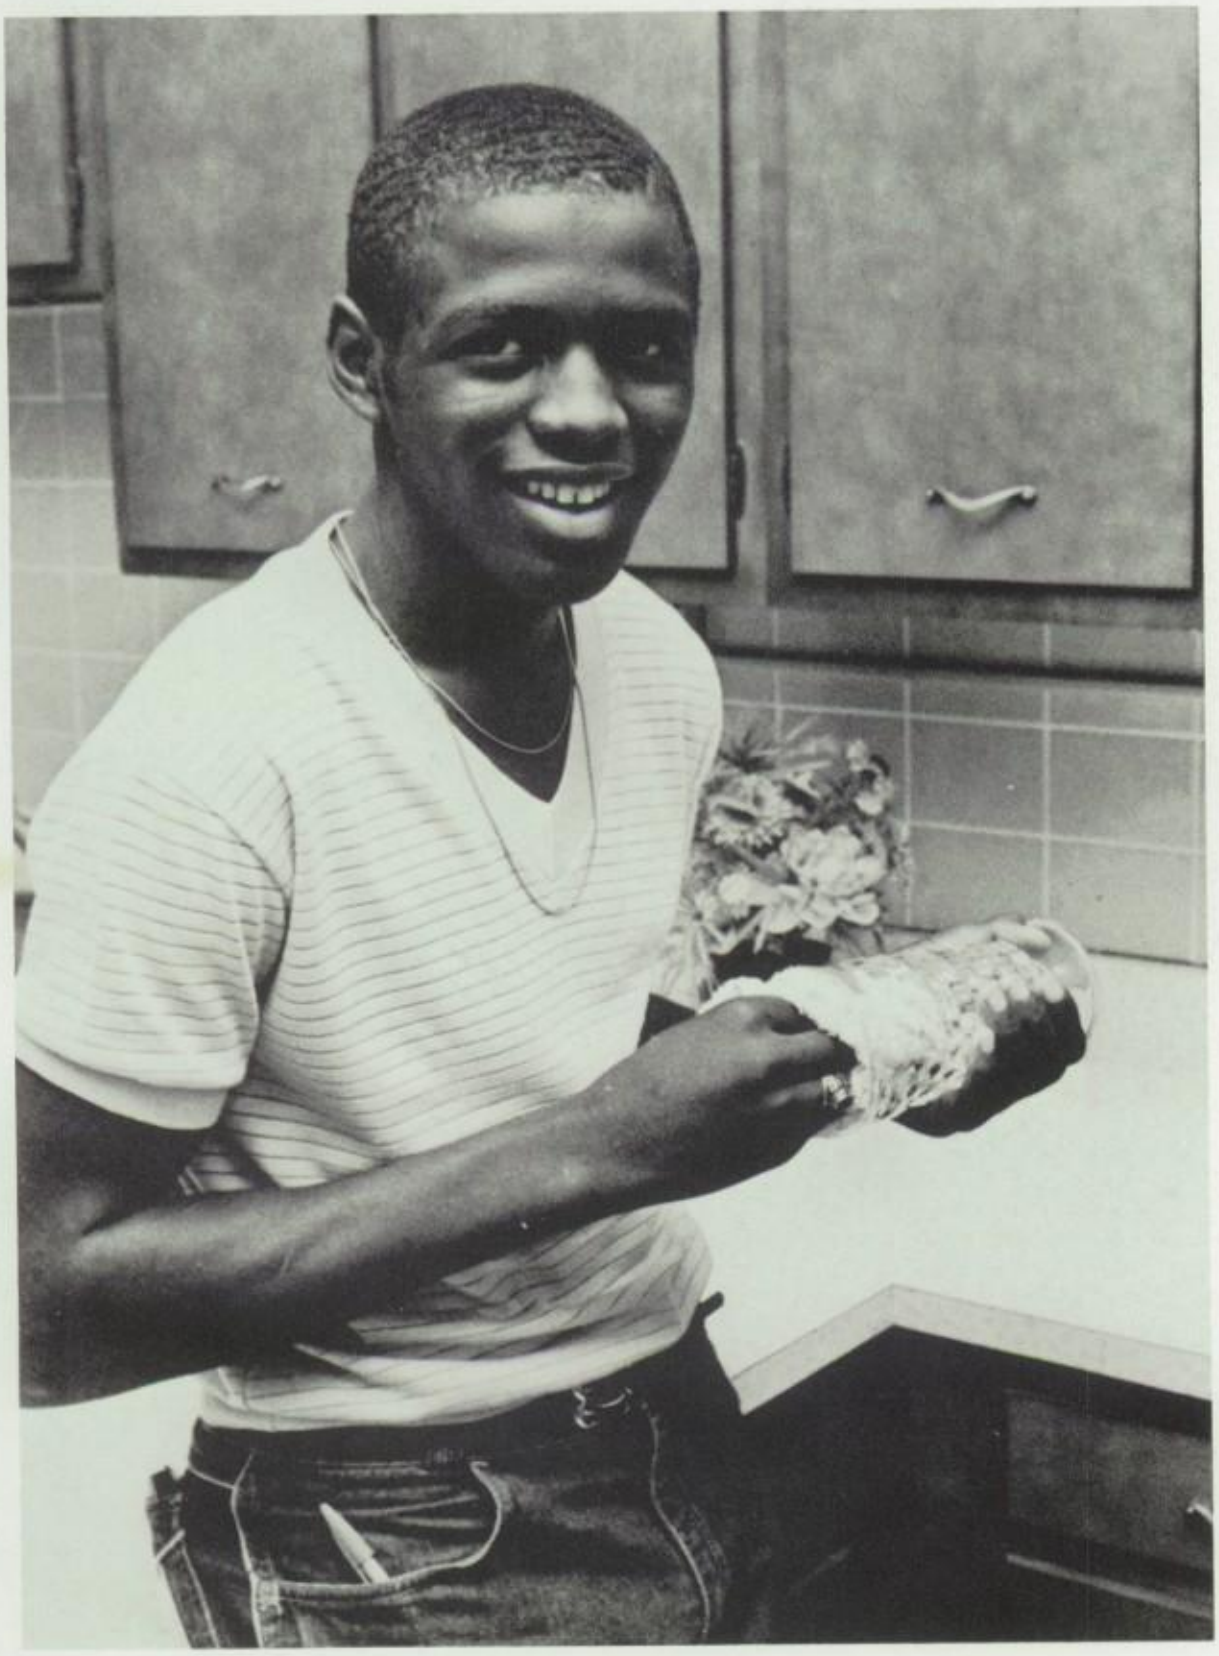






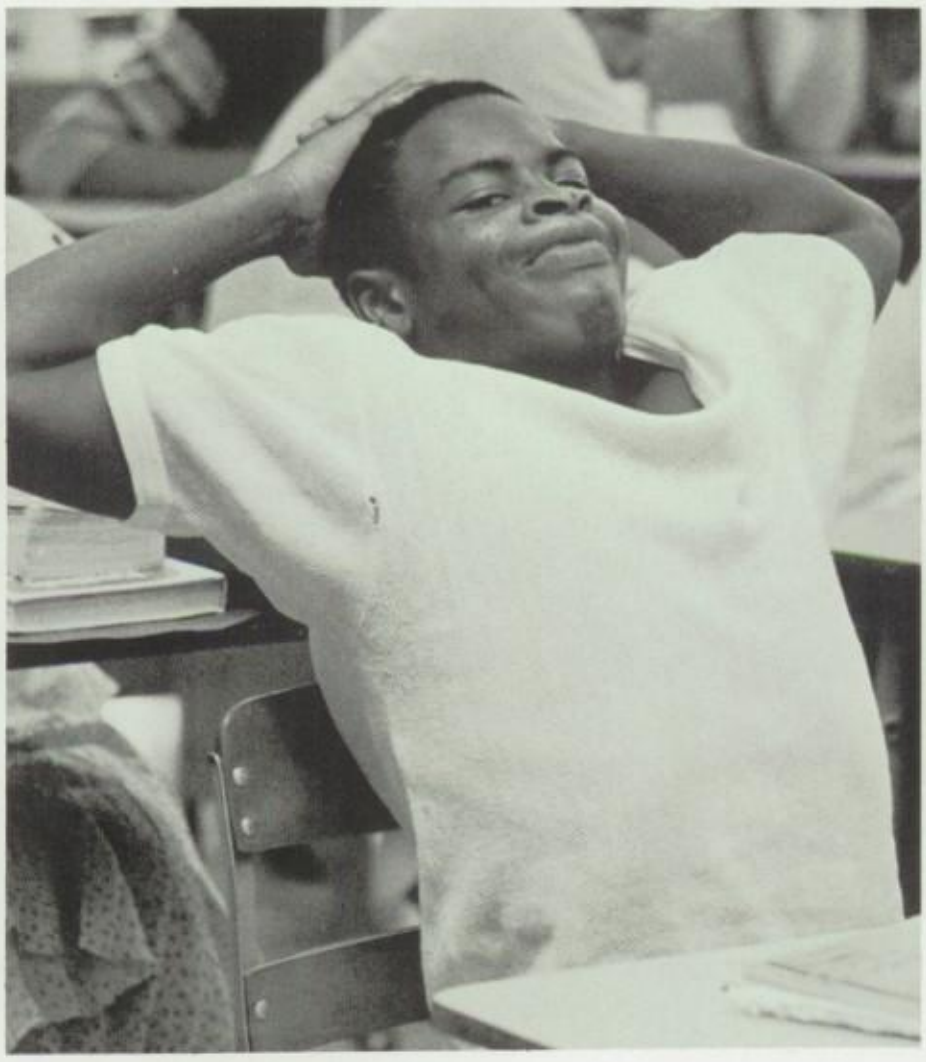
Someday I'll be out there with them, doing it right.

. . . The Pride of Virginia Beach . . .



Don't tell Mom; she'll make me do it at home.

Roger Berry creates another masterpiece.



You deserve a break today.

Two adult tickets, please.

I think I've missed the bus. I've been here an hour.

I don't believe the world is flat.

Homecoming "Floats"

The Senior Class's winning float combined locale and spirited enthusiam.

Although it was a day late and the score of the game fell a bit short, Kellam's homecoming celebration was a success. The brightly decorated stadium and the cheering fans made Homecoming the special night it was.

The theme of the celebration, "Good Ole Days, Good Ole Knights,· provided the theme for many of the banners and floats in the parade. Competitive spirits ran high: the Class of '81 won the Spirit Link contest with the longest of the spirit chains as well as the float contest with the best decorated float. The competition was even greater when the time came to announce the 1981 Homecoming Queen, Cindy Ringer.

Homecoming: it was a freezing Saturday night, yet the true competitive spirit was displayed, and the night was one we will long remember.

The Homecoming Court braves wind, rain, and cold beautifully.

The Spanish Club hides under sombreros to keep warm.

The French Club is always horsing around.

The Junior Class goes from the old to the new.

Good Old Days And Good Old Knights:

Crowning of the Queen, Cindy Ringer

Mr. Hill escorts last year's Queen, Debbie Carroll.

Which way to the beach?

Kellam's 1980 Homecoming

One, two, three, step . . . .

Brrr,it's cold.

SURPRISE!

Kellam High School's Student Cooperative Association is an active organization composed of students interested in bettering their school and their community. In an effort to achieve these goals, the SCA promoted Homecoming, which consisted of Spirit Week, the Homecoming Parade, and the Homecoming Dance. The week before the 1980 Presidential election, the SCA and the Social Studies Department conducted a mock-Presidential election in which students were able to become acquainted with our nation's electoral process through the use of voting machines. By recognizing and observing important events such as National Coaches' Day and Veterans' Day, the SCA made students aware of how the entire student body benefits from the efforts of others.

Throughout the year, Kellam's SCA worked hard at bettering the community by sponsoring fund drives for such organizations as the United Way, Hope Haven Children's Home, and the Sunwheelers. Successful fund drives were made possible by students who contributed freely from their pockets.

Keeping the student body informed and involved was a major task for the SCA this year. Every fourth bell class was represented at each month's meetings by elected representatives, and three information boards were set up near the main office where students could learn what the SCA was doing each month. Designed to keep students involved, the Representative of the Month Award was presented to the representative who contributed the most towards bettering the school and the community.

The Deutsch Klub's purpose is to provide each member with a chance to gain additional knowledge of Germany's people, customs, traditions, and background. The club has twenty-one members, sponsored by Herr Larry Becker. A very good year for the Deutsch Klub, members had numerous parties, including a Christmas party with the French Club and a Valentine's Day party with the Green Run Deutsch Klub. On a trip to Das Waldcafe, a German restaurant in Newport News, Herr Becker was honored with a surprise birthday party. Members attended the annual convention of the Virginia Association of German Students and made a trip to Busch Gardens. German folk dancing was performed at several places during the school year. Other projects included the sale of carnation for Valentine's Day and "Bunny Grams" for Easter.

Latin, a dead language? Not according to the Kellam Latin Club. The Latin Club succeeded in their efforts to promote the Latin language and culture in today's society by meeting with other clubs from Virginia at the annual Latin Convention. The convention gave students a chance to don their togas and to learn more about Latin culture. Another important event was the **Certamen,** a contest of knowledge in all areas of Latin. Schools from Tidewater competed for the City Championship. The Latin Club also participated in the Latin Olympics held annually at Bayside High School. The Olympics tested the strength of the club members and allowed them to experience a part of the ancient games.

The Forensics Club was founded to help people who want to make the Forensics team get the necessary practice. Forensics members endeavor to read prose and poetry with more emotion, to come up with speeches faster, and to make people believe in what is said in prepared situations.

In this, our first year at Kellam, Forensics tried to stand out and to help the school's image at competitions. The group accomplished a first-ever Silence-a-thon. It was very successful: many people were shocked that students could be quiet for one whole day!

Junior Civitan is a service club that serves both Kellam and the community through various projects. They held a blood drive in the spring, and they sold fruitcakes before Christmas to benefit the Association for Retarded Citizens. Members spent Saturdays in the fall planting dune grass at the beach to help prevent erosion.

Their school projects included board washes and teacher teas.

Civitans, through their dedication and involvement, were an asset to Kellam and the community.

FHA, Future Homemakers of America, was an integral part of the home economics program. Students in all homemaking classes were participants, who were also encouraged to affiliate with the state and national associations by paying their dues.

The goal of FHA was to help youth assume their role in society through home economics education in the areas of personal growth, family life, vocational preparation, and community involvement.

FHA sponsored projects to benefit the school and community involvement. FHA was composed of an executive council, which met after school. Regular class meetings with specific programs were held monthly. Students were selected every year to represent the club at an annual FHA state conference.

The Kellam Chapter of the Distributive Education Clubs of America is a club that most Kellam students hear little about. Kellam DECA members can be found after school working many hours at distributive jobs.

The purpose of DECA is to try to enhance the students' knowledge of vocational and retail services. The national ensignia of DECA is the DECA Diamond. The four points of the diamond represent the main purposes of the club: Civic Consciousness, Social Intelligence, Vocational Understanding, and Leadership Development. The ultimate goal of all the Kellam DECA members is represented by the wrapped package in the center of the diamond. This package represents a job well-done.

Some activities DECA members participate in during the school year include the annual get-acquainted picnic and the end-of-the-year picnics. Fund-raising projects and the Initiation and Installation Banquet, along with the Employer and Employee Banquet, are included for the member of DE II and III. In March members compete against other DE students in events pertaining to the individual student's job area. The participants compete first on the district level, and those who qualify compete on the state and national levels.

Roundtable staff: (seated) Merrilee Belanga, Tim Eason, Janet Allen, Bernie Blanks; (standing) John Keller, Randy Pauley, Blake Ammons.

Merle Harris, typist goes over Steve Platt's story with him.

Kellam's newspaper, the **Roundtable,** took a new look this year; it changed from a newspaper to a news magazine, a change for the better. The new format permitted the staff, made up of Journalism II students, to present a more exciting and more varied view of Kellam.

The staff worked hard to present an accurate view of Kellam. Each member had his own page to work with, not an easy task to endure. As a page editor, each student had to find and write stories, arrange for and take pictures, proofread, and lay out his page.

The **Roundtable** enjoyed a successful year and looks forward to many more.

The Library Club is a service club whose members served the school staff and students as library assistants and video technicians. An active and enthusiastic group, the club members sponsored special activites to celebrate National Library Week as well as other projects designed to improve the library in appearance and service.

During the 1980-81 school year, the Library Club held a banner contest in which all Kellam clubs were invited to participate. Colorful banners representing the various organizations were made by each group and presented to the library. The award winning banners were hung in the library where they not only added splendid color to the reading room but also enhanced the accoustics.

A Book Fair was held to raise money for the Library Scholarship and to encourage students to build their own personal libraries.

The highlight of the year for the Library Club came in April when the club members and the library staff presented a number of programs in celebration of National Library Week. Music, drama, and other festivites proclaimed to the whole school that something special was happening in the library.

The library assistants and video technicians rendered a vital service to the school. The operation of the library and video recording service was dependent upon the valuable contribution of these able and hard working students.

The National Honor Society is an honorary organization sponsored by the National Association of Secondary School Principals. The purpose of the organization is fourfold: to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of Kellam.

Students who excel in the four membership qualifications of character, scholorship, leadership, and service are inducted into the Society at a formal tapping ceremony held each spring. Once tapped, members work to promote these qualities throughout the school. Once a week NHS, with the guidance of Mr. Payne, sponsors a math workshop; members of NHS are available to tutor students in any level of math. NHS also sponsors the Citizen of the Month; outstanding members of the student body who are not members of NHS are recognized each month, and their achievements are displayed. And, each spring, the annual NHS Leadership Workshop is held; the workshop is designed to acquaint students and clubs with the proper procedures for conducting meetings.

The National Honor Society's colors are blue and gold, its flower is the yellow rose, and its motto is "Noblesse Oblige".

The Drama Club is a service club which performs in the Tidewater area. It is made up of Drama I, II, and III students and students interested in drama.

The club participated in the One-Act Play Festival and in the play at the end of the school year.

The sophomore class worked very hard to enter a float in the homecoming parade. The aluminum can and newspaper drives and the Mr. and Mrs. Sexy Legs Contest were two of the projects of this year's class to help raise funds for a class dance. To help lead the group in their projects were Darlene Depew, President; David Clark, Vice-president; Wendy Fox, Secretary; and Mike Murphy, Treasurer.

The finale of a student's junior year is the Ring Dance. Throughout the summer and the school year, the Junior Senate and members of the junior class worked hard on several fund-raising projects for the dance. Some of these projects were a rock-a-thon, a bowl-a-thon, a picture cube sale, and several car washes. Officers of the 1981 junior class were Cheryl Keenan, President; Janine Lowery, Vice- president; Michelle Hogan, Secretary; Teresa Moranha, Treasurer; and Kelley Campbell, Publicity Officer.

The Senior Senate of Kellam's 1981 class led class members in a variety of projects to pay for the Senior Prom held May 23 at the Commodore Country Club. Projects included a rock-a-thon, a pom-pom sale, and Christmas candy-grams. Officers for the Class of 1981 were Martin McClanan, President; Dawna Gray, First Vice-president; Dot Tirey, Second Vice-president; Lyn Henry, Secretary; and Beverly Davis, Treasurer.

The proud 1980-81 Marching Knoghts continued to gain victory in competitions and parades. It rehearsed for the field show from August through the end of the football season. Three competitions and a parade also meant long, hard, arduous hours of practice, which paid off with third place at Richmond's Band Day and second place at the Tidewater Marching Band Festival. The band also participated in the O.D. U. Band Classic of Marching Bands. In May, 1981, the band will be a part of the "I Love America" Parade in Florida, a trip which will cover six days and five nights. The band is under the direction of Mr. David O. Correll.

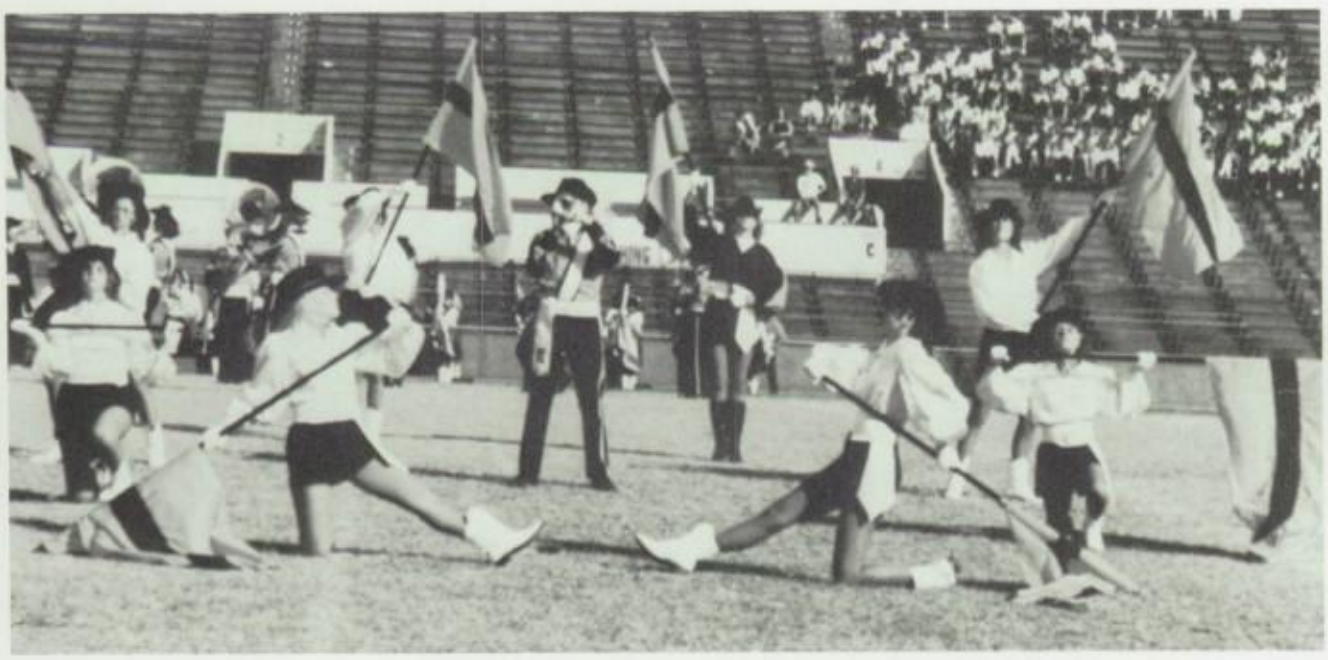
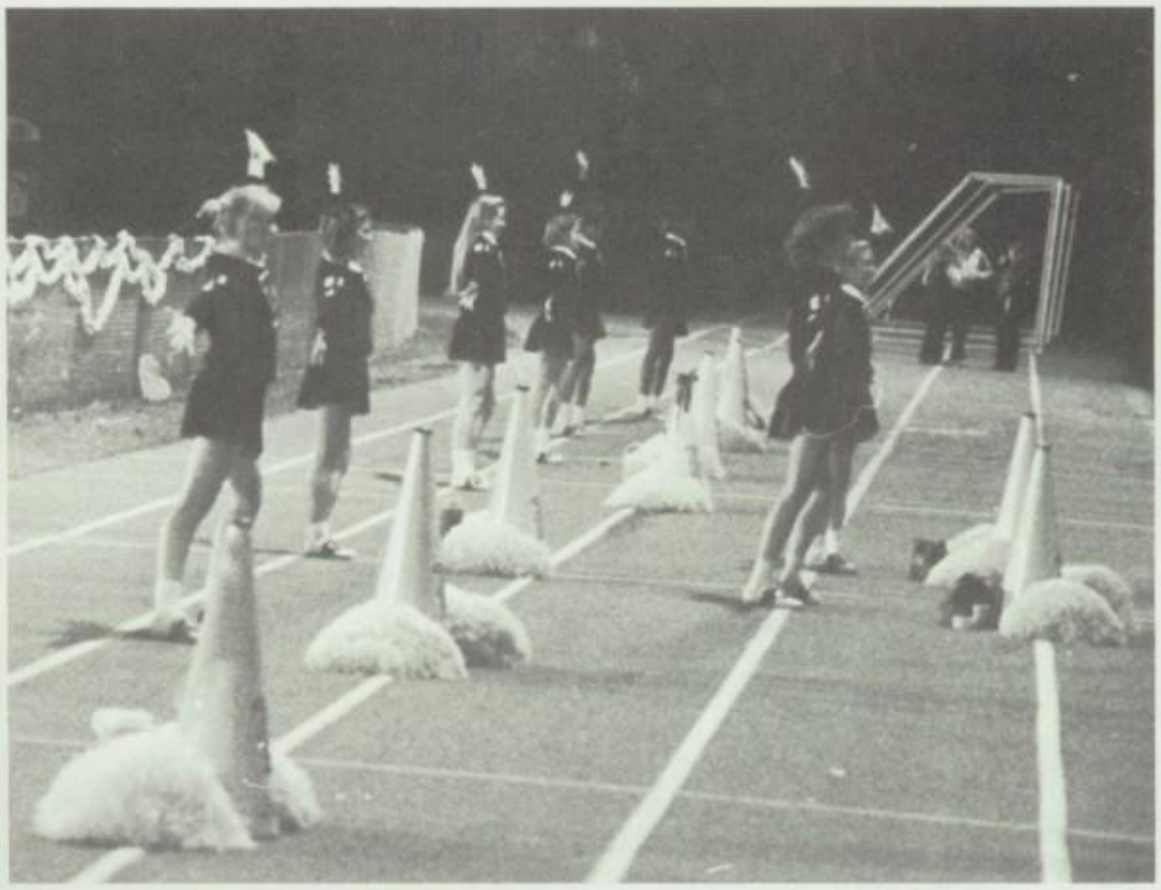
Twenty-two flags and seven rifles made up the Kellam drill team. Beginning in early summer, the team worked on football half-time performances and fall competitions. One of the rewards for the effort was a trip to Florida for a spring competition.



The Flags share a performance with the band.

Winning Spirit Of The Beach

Promoting enthusiasm and spirit throughout the school, decorating Kellam's hallways with spirited banners, and supporting our athletes were just a few of the many activities that made the Knights' cheerleaders an important group at Kellam High School. In addition to these activities, our girls practiced routines, jumps, and pyramids many hours a week; not only did they practice for cheering before the fans, but also for competitions among the various high school cheering squads. In early November of 1980, the cheerleaders participated in the First Annual ODU/TV-27 Tidewater High School Cheerleading Championships. They were selected as one of the top three squads in Tidewater.



Here's . . . Kellam!

Hey, all you Kellam fans . . .

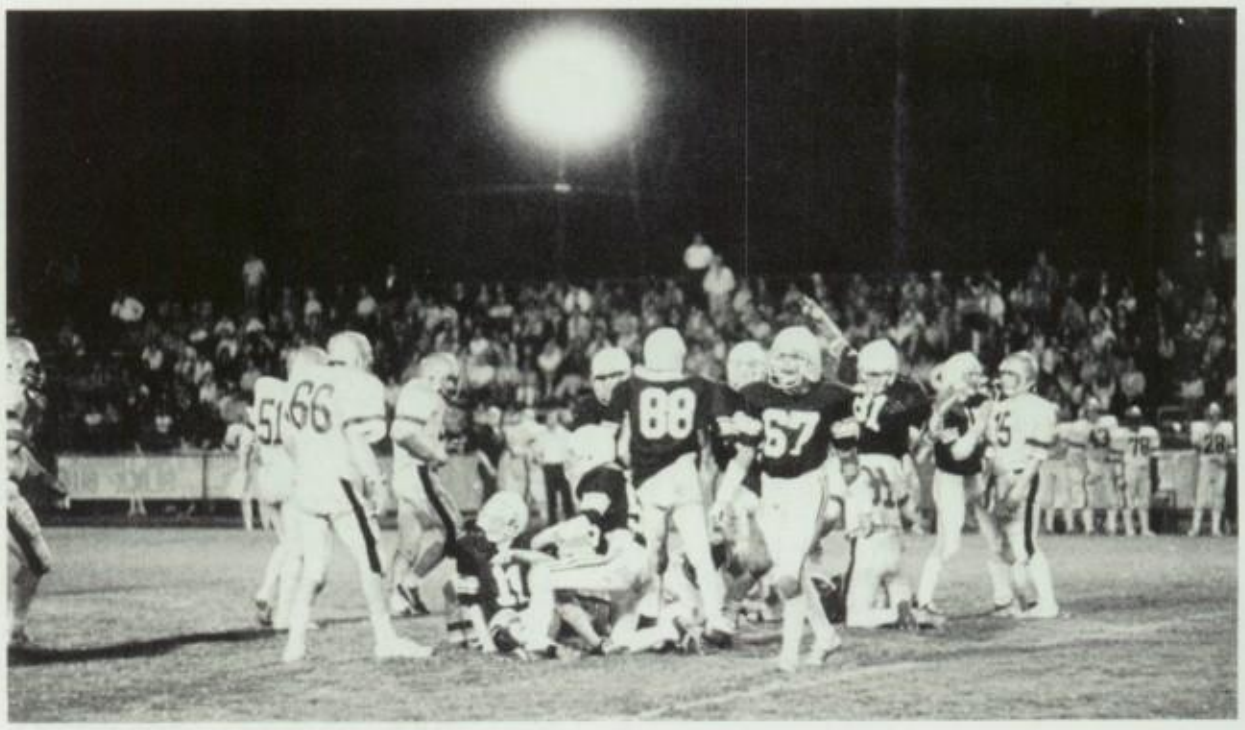
Pigskin Action Exciting But Unsuccessful

Look, the Goodyear Blimp!

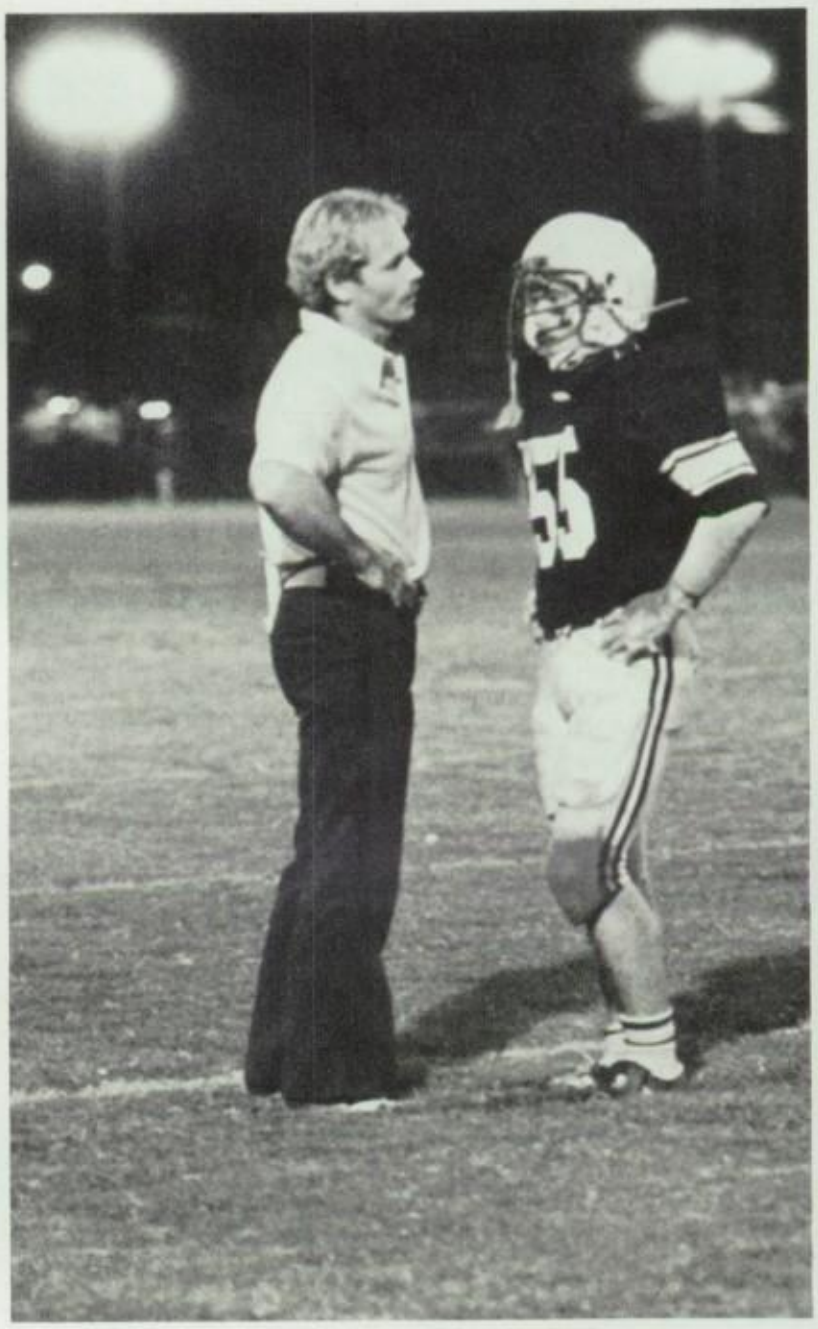
Tony Fisher carries the ball once again.

Go for it, Fish!



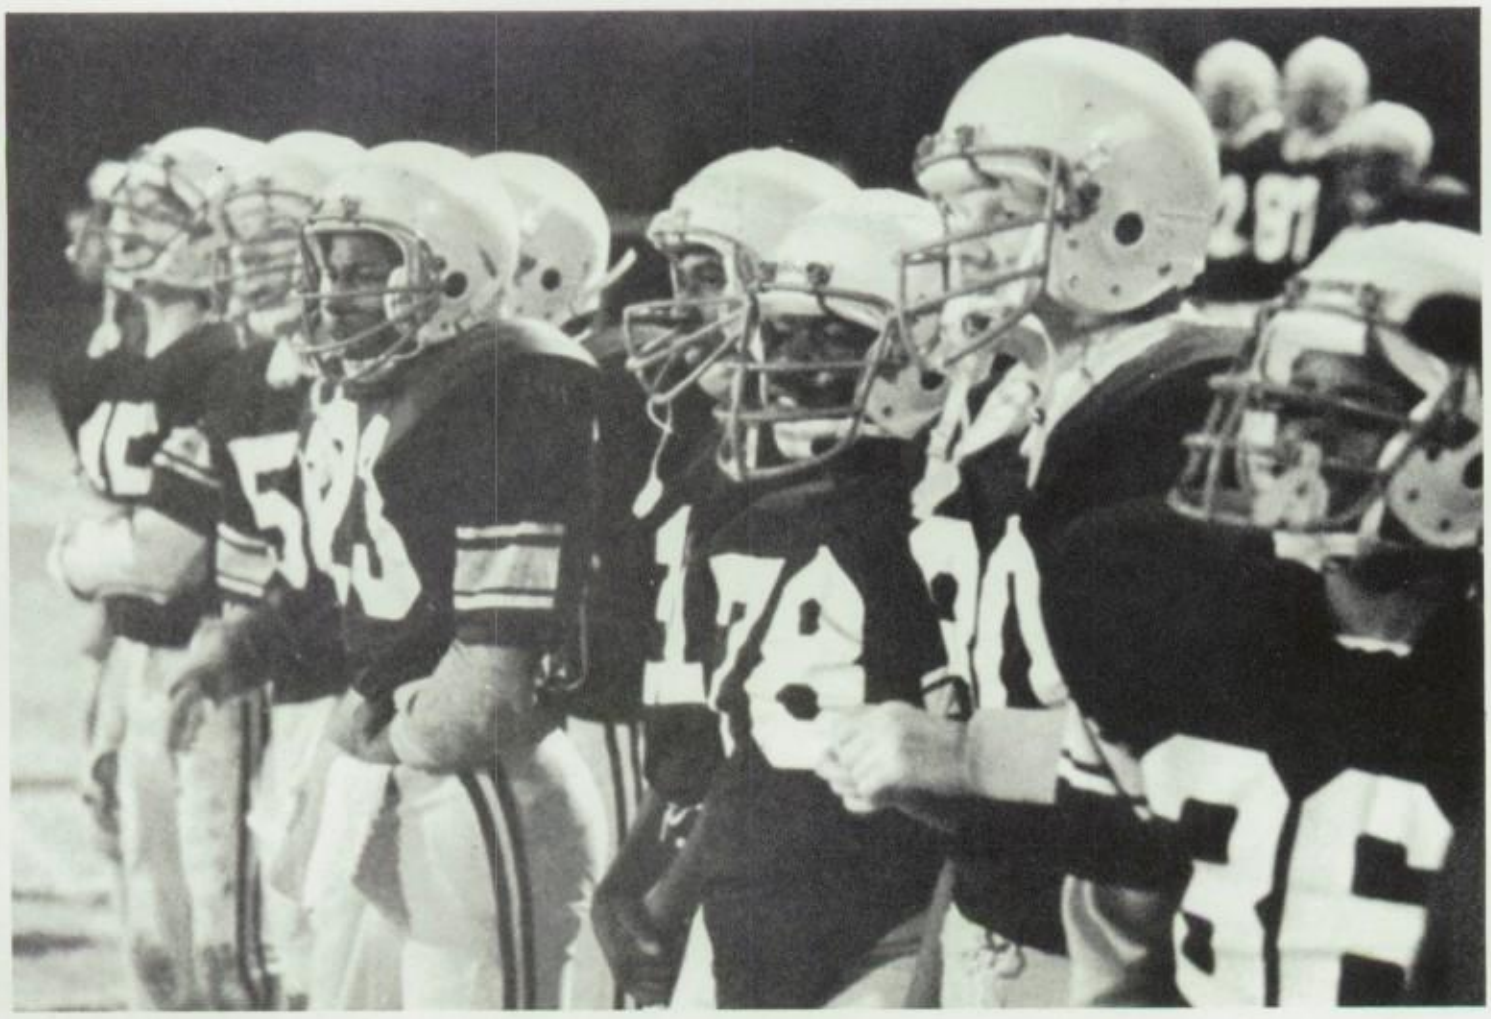
You win some, you lose some.

A manager's work is never done!



Mike, Is that the only excuse you can think of?

Though the Kellam Knights football team did not have an outstanding record as far as victories are concerned, the team was successful in developing a strong sense of character that will influence each player's life in years to come. Long hard practices instilled on our team a sense of loyalty, not only to our school and to the coaches but to each of their teammates. Not only will loyalty and character enable each young man to be successful in his future endeavors; but also, with the strength of 35 returning lettermen, this loyalty and determined spirit will lead the Kellam Knights toward our goal of returning the Beach District Championship to Kellam High School.



Was the kick good?

Wade Bell going for a touchdown.

Fall Season Successful For Field Hockey

The 1980 Kellam Field Hockey Team proudly finished their season with a 4-2-4 overall record. Ms. Gallop, coach of the group, credited constant practice-even in inclement weather, team spirit, and determination for the winning season. Robin Kinzel was the Most Valuable Player on the team.

Debbie Perry and Darlene Tolley excitedly watch the team's progress.

Everyone has to get a piece of the action.

Hey! Where'd the ball go?

FIRST ROW: Heather Pendleton, Darlene Tolley, Meg Denning, Debbie Perry, Lisa Churchwell, Beth Richardson, Kelly Campbell, Gayle Singleton. SECOND ROW: Aleta Cason, Vernell Spence, Kim Mitchell, Dana Cason, Maria Walsh, Stephanie Williams, Audrey Turner, Marie Simmons, Chrissy Patterson, Cindy Ringer, Lori Green, Kathy Deyo.

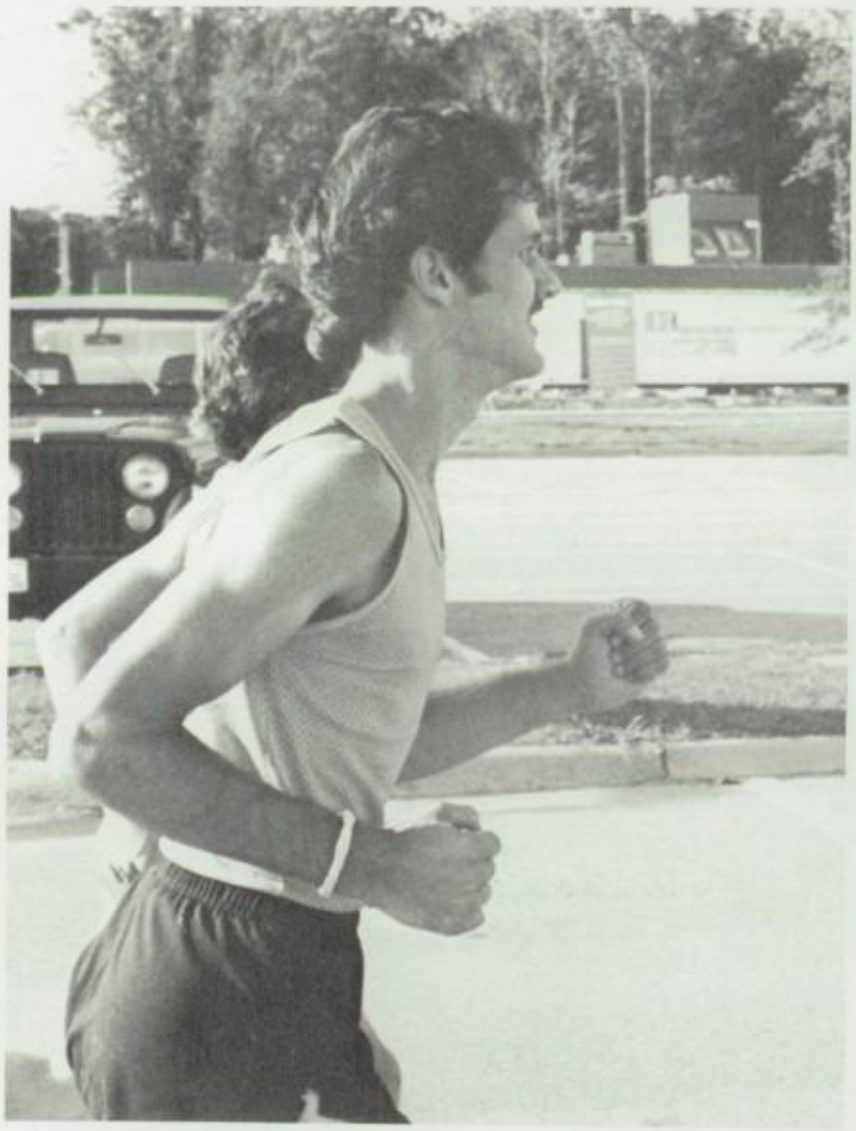
Cross Country. Front Row: Anthony Moore, Paul Miles, Harry Turnbull. Back Row: Guy Kinley, Patrick D'Amico, Cholly Ogden, Coach Morris.



Patrick D'Amico pushes for that last, long mile.

Paul Miles is oblivious of the cars he races by.

Long, hard hours of constant running and many lonely days of practice—that's what the Knights of the Cross-Country team experienced. Members pushed themselves until they thought they would die of exhaustion; then they pushed just a little harder, always striving for perfection. Coach Morris, coaching the team for the first time last year, was justly proud of their efforts.

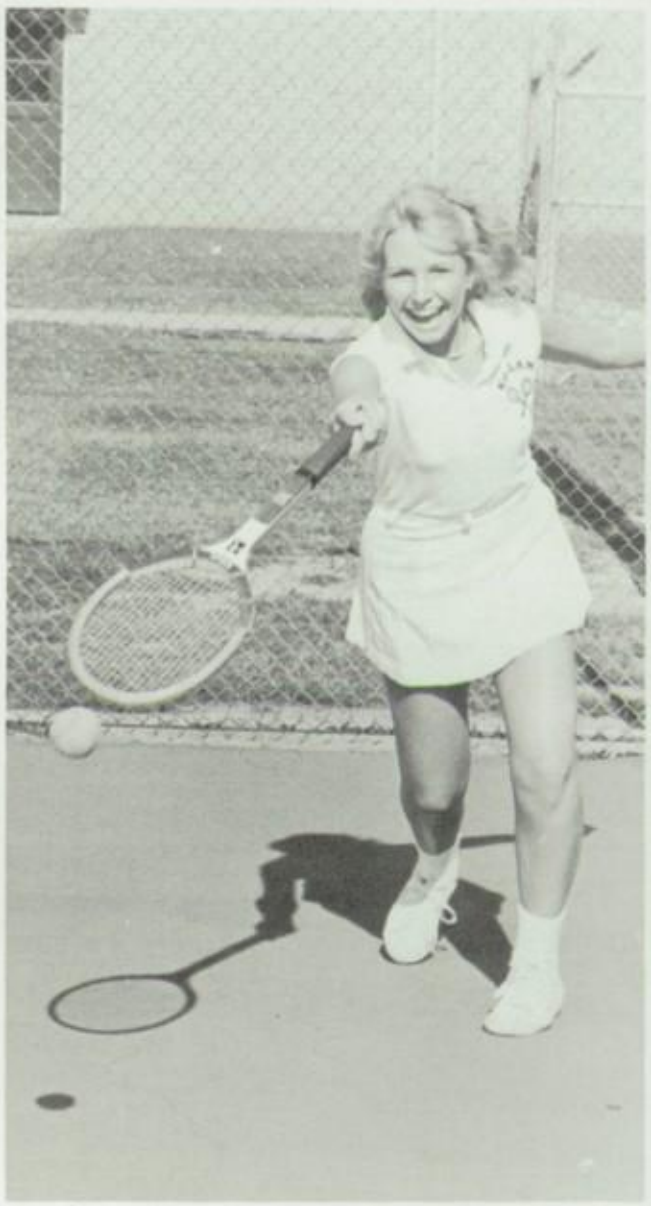
Harry Turnbull leaves his opponent in the dust.

Guy Kinley demonstrates sheer determination.

It May Not Be Love

Miss Devlin and Julie Kellam check the progress of the match while Lisa Schmale looks on.

Debbie Craig, Paige Sinclair, and Teresa Jones pause for a gulp.



Michelle Tinnes gives it her all.

With a new coach and much enthusiasm, the Kellam girls' tennis team worked to overcome the handicap of their inexperience. Although the season ended with a 2-10 overall record, Miss Devlin, a Creeds Elementary School teacher, felt that the team's effort and determination were truly commendable. Special recognition goes to District doubles representatives: Judy Morris, Teresa Jones, Michelle Tinnes, and Julie Kellam; and District singles representatives: Teresa Jones and Judy Morris. Julie Kellam was the team's Most Valuable Player.

But It Is Girls Tennis

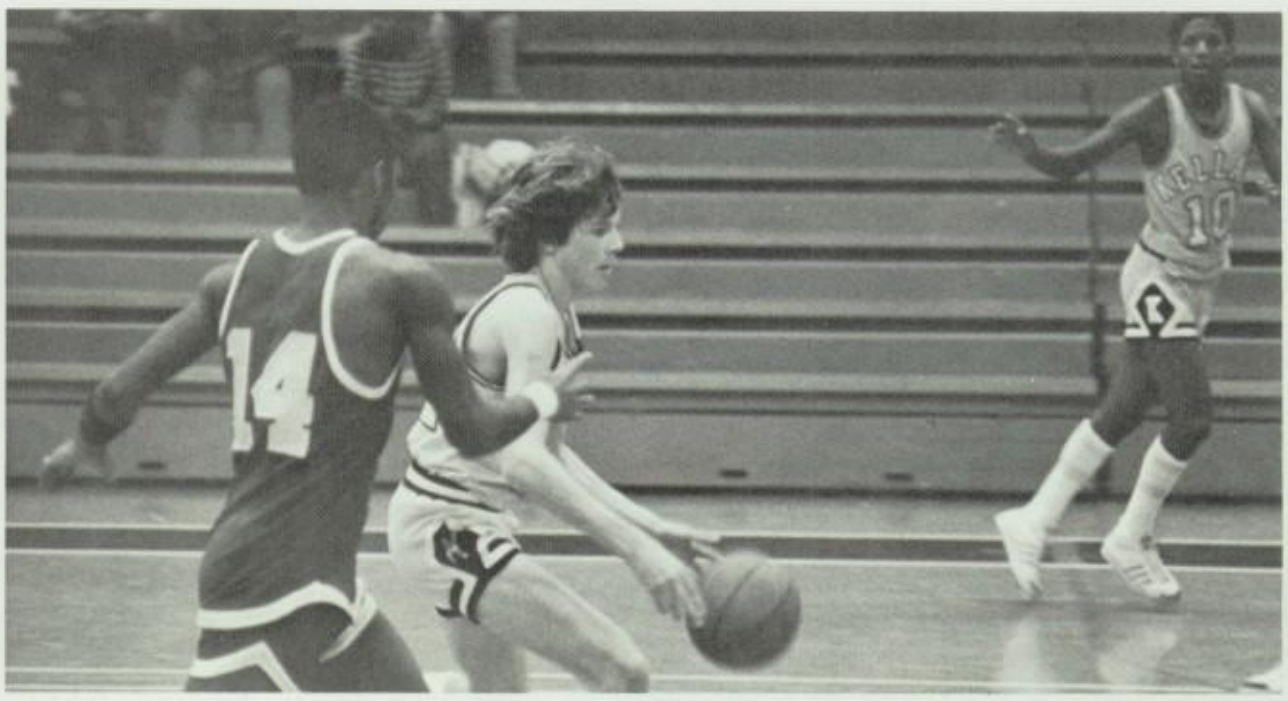
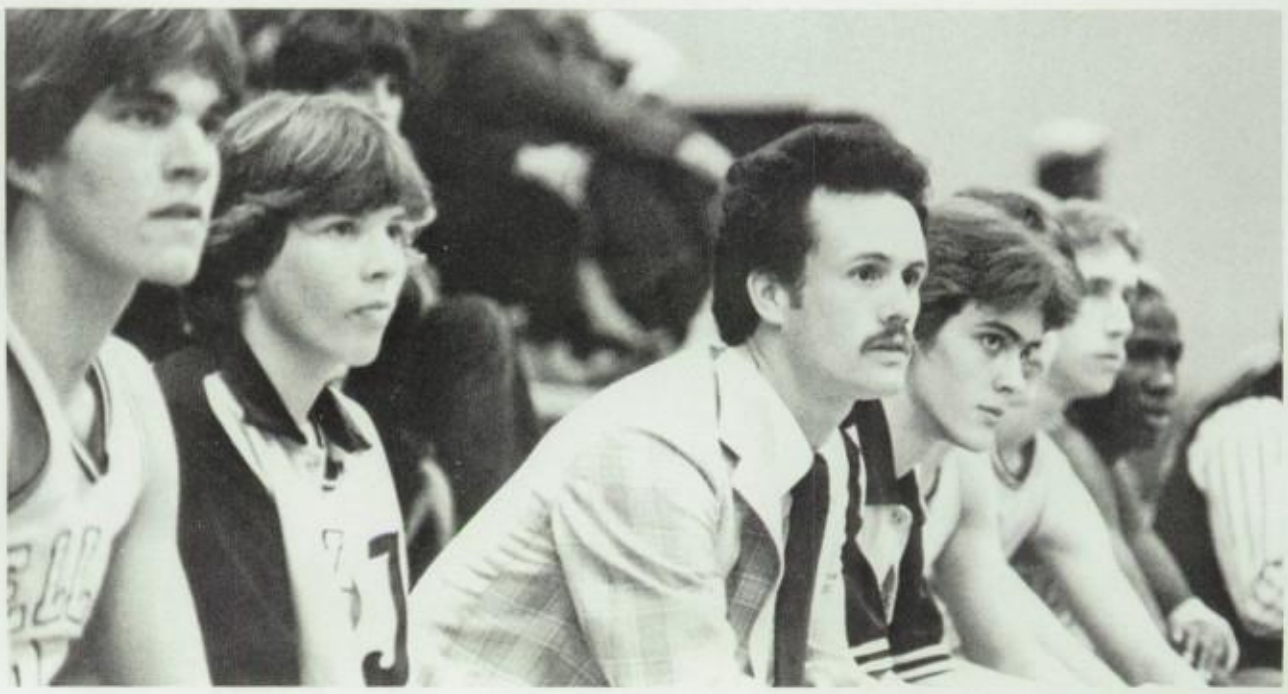
That's How The Ball Bounces

Tony Fisher goes high for a lay-up.



Hey! Over here!



We're all for you fellas—go for it!

Paul Kinley outjumps the opposition for a good tipoff.

The moment of suspense lasts forever.

Eric Dozier concentrates for a good free throw.

A word of encouragement brings smiles before the game.

Boys' Basketball: (front) Junior Kelly, Eric Dozier, Roger Burnham, Eric Henry, Tony Fisher, Troy Moore, James Dozier; (back) Sam Washington, Andre Krakenes, Elvis Roach, Paul Kinley, George Wadsworth, Robert Wadsworth, Roland Foreman, Tim Christian, Mr. Carruthers.

The 1980-81 basketball season was a frustrating one for a hardworking team that was much better than the final scores reflected. Long, arduous hours of practice, determination, and effort were the basic traits of Kellam's boys' basketball team this year. With such a young team, Coach Carruthers can look forward to growing success for next season.

Well, I was a little late getting here . . .

Could we see an instant replay?

James Dozier goes up for two . .

Looks so easy when Roland does it!

More Bounce To The Ounce

Does she mean **ME?**

I told you! It's mine!

Andrea McLaurin adds two points.

Kellam controls, thanks to Sherri McLaurin.

Ms. Durant gives Andrea McLaurin some serious advice.

This is bas-ket-ball, not soc-cer!

Up, up, and away.

Sylvia Rose keeps on her toes.

You knock her over; I'll catch the ball.

The Kellam Girls' Basketball team, under the coaching of Ms. Durant, worked strenuously through a season where the final scores did not always reflect their long hours of practice, their effort and determination, or their improvement. Though not of top standing in the city rankings, the team did contain one of the top scorers, Theresa Ringer. A young team, many of the members will be returning in the fall of 1982.

Theresa Ringer outwits the opposition.

Gymnastics: Improving All The Time

Well, here goes!

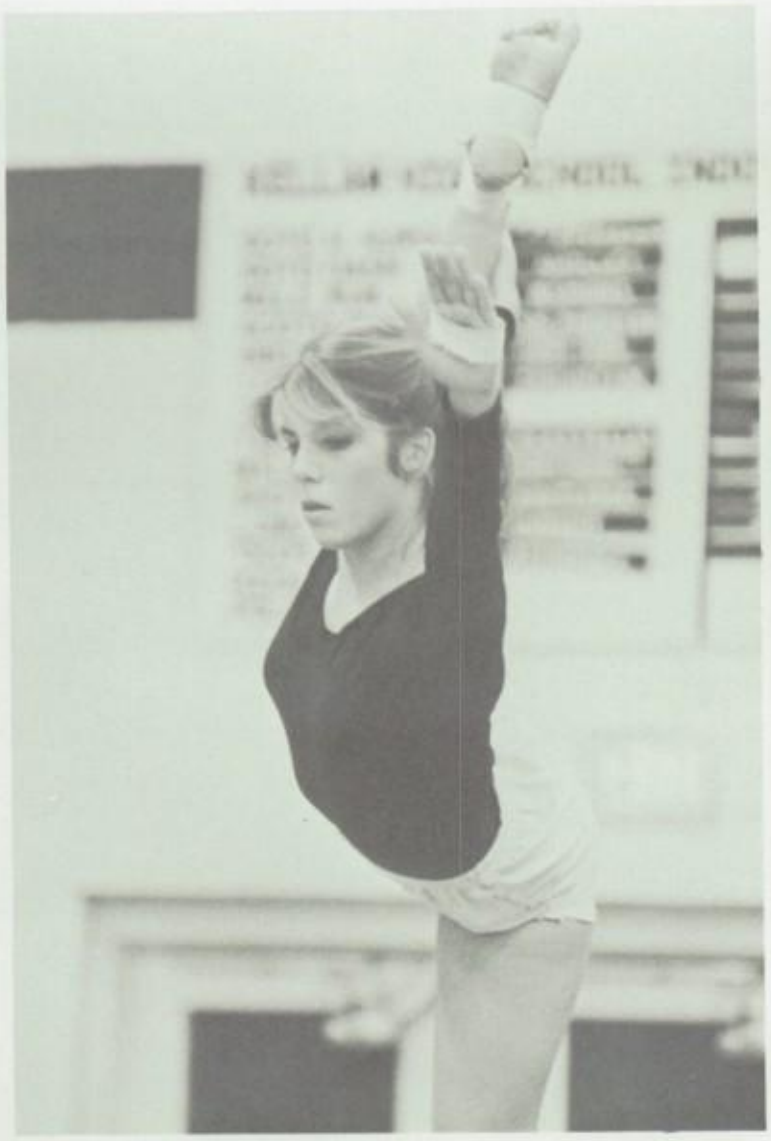
Janine Lowery continues her balance beam routine.

The Kellam Gymnastics team spent long, sometimes painful, hours to perfect form and build strength in a variety of gymnastic skills. Each team member was dedicated to performing well, so that individual effort added a vital component to the over-all team concept.

Look Mom, no hands!

This beam sure looks skinny!

Miss Devlin gives some last minute advice.

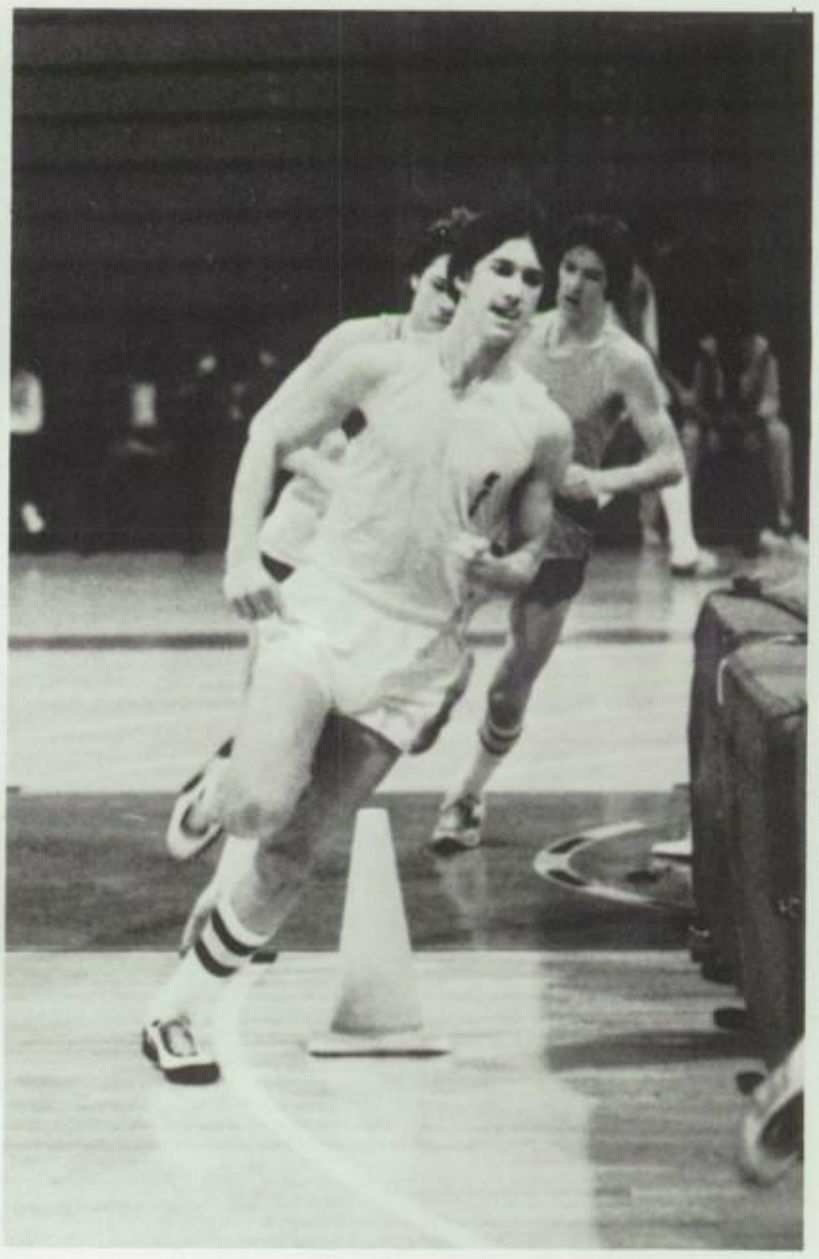


Now what do I do?

The suspense is killing me.

Watch out, Anthony! He's on your heels.

Breathe . . . breathe . . . breathe . . .



Help! A Falcon is after me!

Hey, who moved the floor?

And On The Inside . . .

Kellam's Indoor Track team gave up many long, after school hours and Saturday after Saturday in order to compete with other Beach District schools. Many individuals on the team contributed a combination of skills to help build the team as a worthy adversary. With returning sophomores and juniors, we look forward to a successful season next year.

Whew! I'm glad that's over.

YECH! Mud!

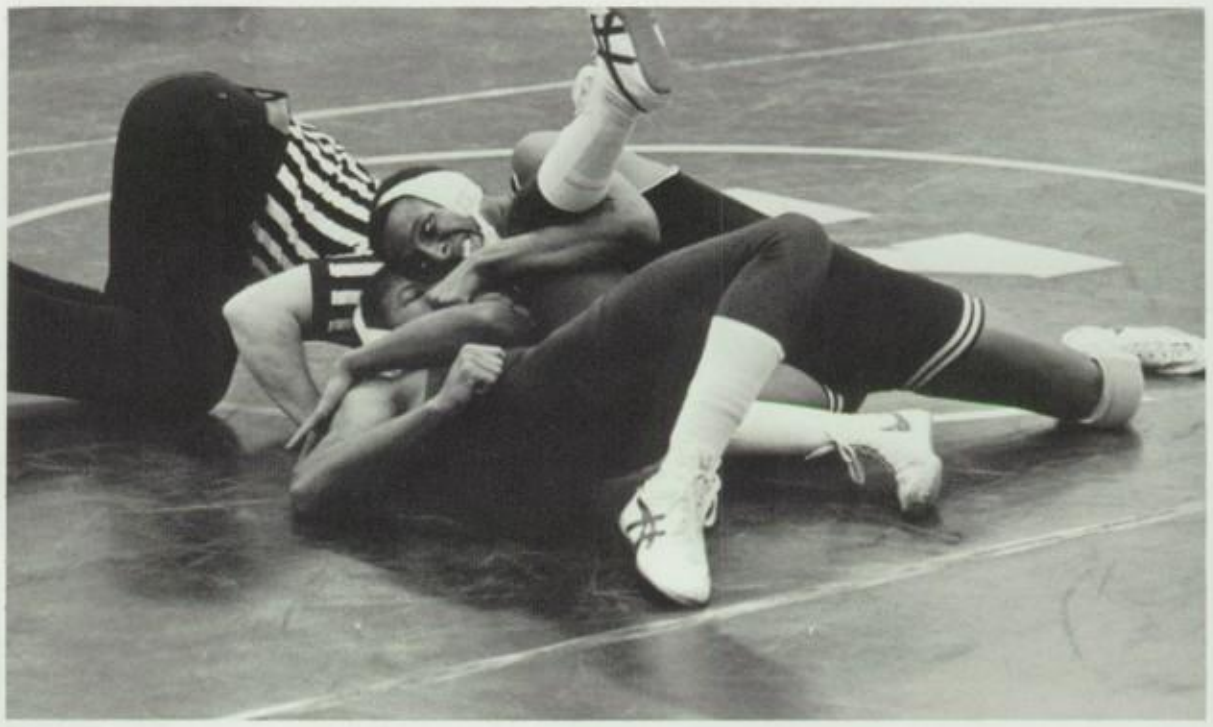
First Row: Curtis Vest, Mike Granby, Lee Willie, Melvin Ridley, Steve Poppendieck, Raulin Farinas, Second Row: Charles Foreman, Cecil Hassell, Dudley Nesbitt, John Moller, Jim Bowman, Tony Neydon.

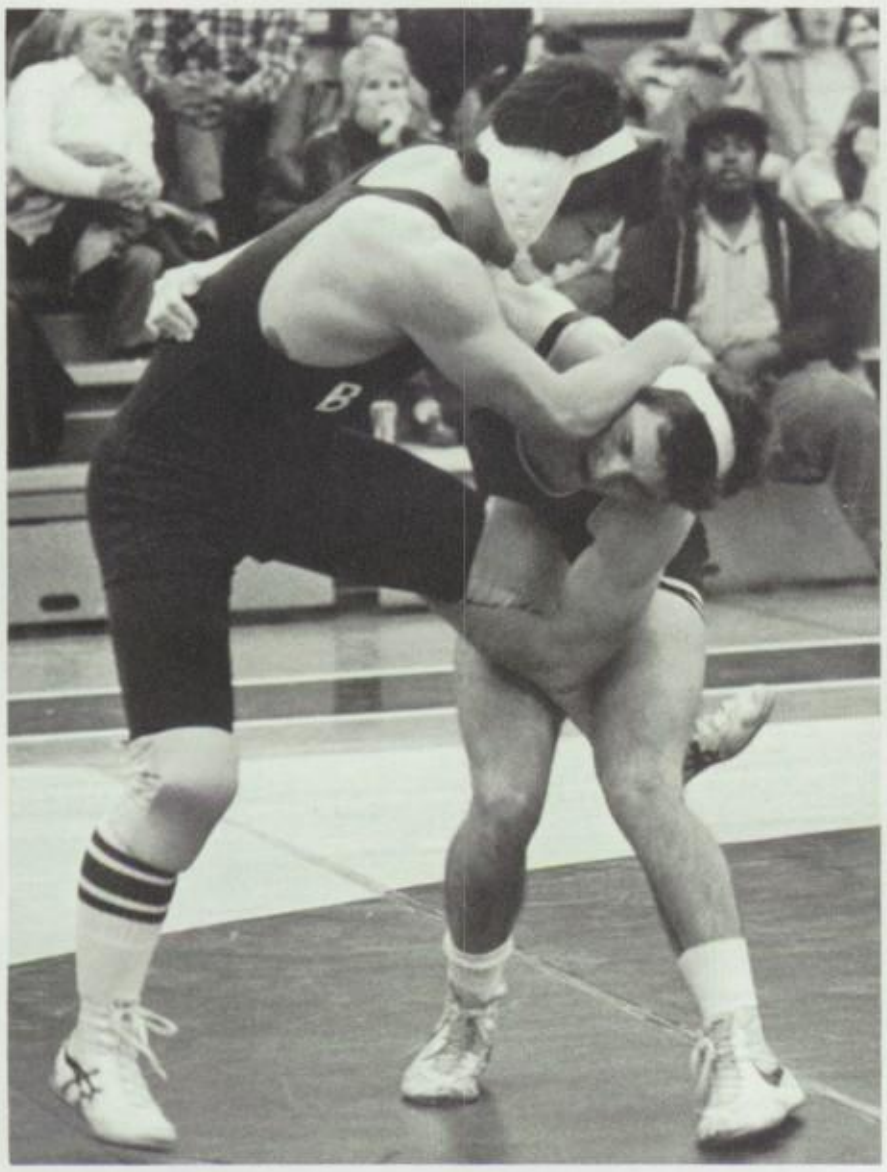
Mike Granby does it again.



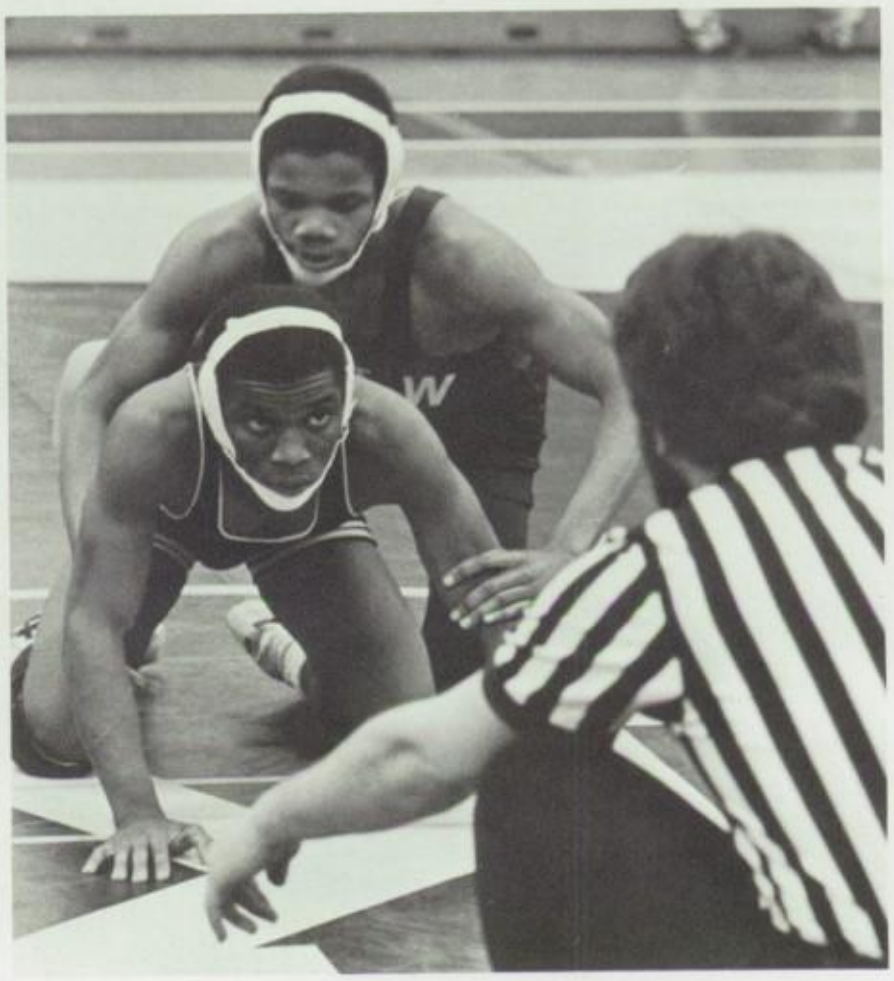
Looks like another win for Kellam.

Raulin Farinas makes his move.

Take 'Em Down



John Moller takes hold of the situation.



On your mark, get set, . . .

Why do I always get the ones who refuse to roll over?

Kellam's wrestling team spent many long, hard hours working to build a strong team. Practicing began long before the wrestling season even started and continued through the entire season. Team members worked to improve individual efforts that in turn, produced a more successful team.

Time in a Bottle

If I could save time in a bottle
The first thing that I'd like to do
Is to save ev'ry day 'til eternity passes away
Just to spend them with you.

If I could make days last forever,
If words could make wishes come true;
I'd save ev'ry day like a treasure and then
Again I would spend them with you.

But there never seems to be enough time
To do the things you want to do once you find them.
I've looked around enough to know
That you're the one I want to go thru time with.

If I had a box just for wishes
And dreams that had never come true;
The box would be empty except for the mem'ry of how
They were answered by you.

But there never seems to be enough time
To do the things you want to do once you find them.
I've looked around enough to know
That you're the one I want to go thru time with.

Because I Could Not Stop for Death

Because I could not stop for Death,
He kindly stopped for me;
The carriage held but just ourselves
And Immortality.

We slowly drove, he knew no haste,
And I had put away
My labor, and my leisure too,
For his civility.

We passed the school where children played
Their lessons scarcely done;
We passed the fields of gazing grain,
We passed the setting sun.

We paused before a house that seemed
A swelling in the ground;
The roof was scarcely visible,
The cornice but a mound.

Since then 'tis centuries; but each
Feels shorter than the day
I first surmised the horses' heads
Were toward eternity.

All Work And No Play . . .

Would you believe all I get out of this is a school hamburger?

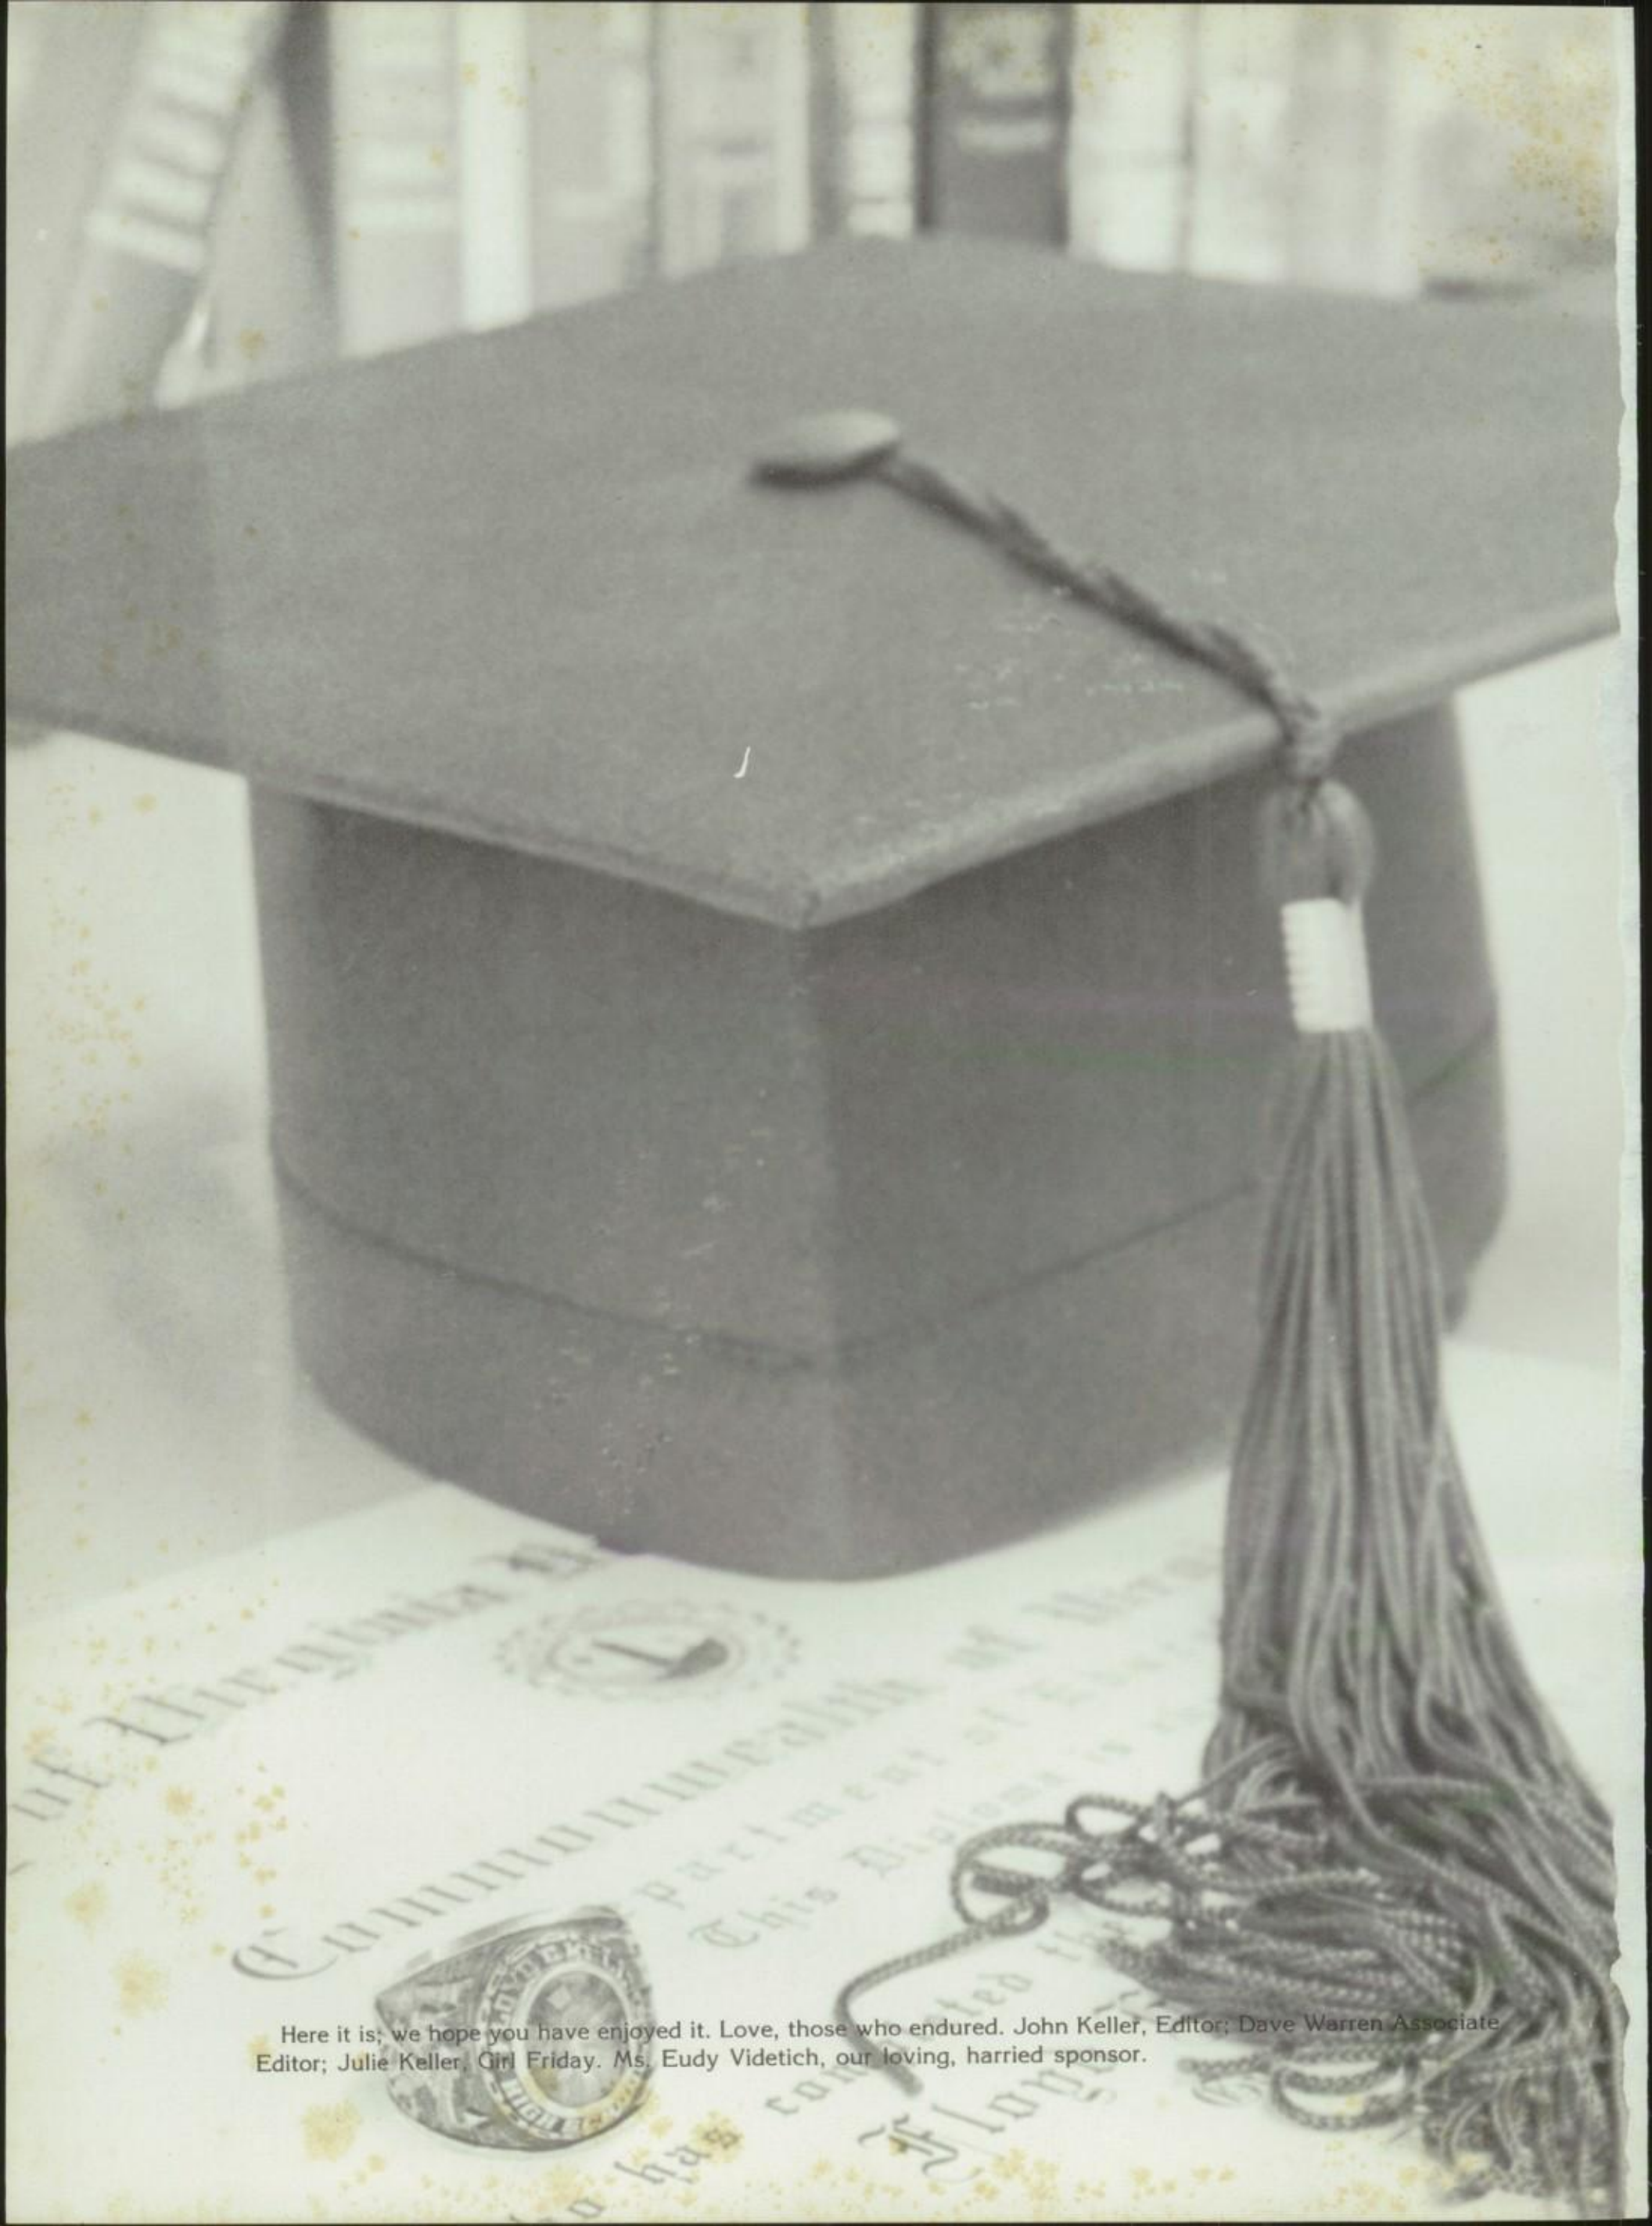
Does Benatar,Pat come before Loggins,Kenny:

The yearbook salesman is over there.

John Keller is a real yearbook lover.

Miss Eudy grits her teeth at Davé's headline!

Yearbook? What's a yearbook?



Here it is; we hope you have enjoyed it. Love, those who endured. John Keller, Editor; Dave Warren Associate Editor; Julie Keller, Girl Friday. Ms. Eudy Videtich, our loving, harried sponsor.
